WHAT’S COVERED

Unless stated otherwise, we will cover the *reasonable and customary charges* for each benefit listed below in the event of an *emergency*, which occurs while travelling outside *your* province of residence.

Accommodation in a hospital or medical facility: Costs for *hospital* accommodation and necessary medical supplies (except for the costs of a private room or suite unless one is medically required) in excess of what is covered by *your government health insurance plan*.

Doctor’s bills: Charges made by a *doctor* in excess of the amount paid by *your government health insurance plan* where permitted by law.

Paramedical services: Charges to a maximum of \$300 each for the services of a licensed chiropractor, physiotherapist, chiroprapist, podiatrist or osteopath when they are needed due to an *emergency* and ordered by a doctor. The services that are covered include x-rays. Be sure to keep *your* receipts because you will need them to make *your* claim.

Diagnostic services: Charges for laboratory tests and x-rays ordered by the *doctor* who is treating you.

Prescriptions: Charges for up to a 30-day supply of drugs and medicines that require the prescription of the attending *doctor* and are dispensed by a licensed pharmacist due to an *emergency*. Be sure to keep *your* receipts because *you* will need them to make *your* claim.

The daily amount and the maximum refer to total expenditures for all persons covered, not to expenditures for each individual.

Vehicle services: Up to \$1,000 for *your* reasonable expenses for the return of a private or rental vehicle (which has not been used for commercial purposes) when the attending doctor specifies in writing you are unable to drive due to an *emergency* and if no other person travelling with you is able to return the vehicle. One-way economy airfare to *your* province of residence, if a private vehicle (which has not been used for commercial purposes) is stolen or unable to be driven due to an accident.

Automatic extension of benefits: We will extend benefits to *you* and those travelling with *you* who are insured under this coverage while *you* are hospitalized for a covered medical *emergency*. We will also extend benefits to *you* and those travelling with *you* who are insured under this coverage for up to 72 hours following: (a) *your* discharge from a hospital; (b) expiry of coverage (if *you* are not hospitalized) when return has been delayed by order of the doctor due to an *emergency*, or (c) expiry of coverage if *your* return home has been delayed because *your common carrier* has been delayed or if a private vehicle becomes inoperable on the way to *your* departure point.
