SCHEDULE A

SCHEDULE 1
SELLING AND TRANSFER RESTRICTIONS

SELLING AND TRANSFER RESTRICTIONS

United States

As a result of the following restrictions, purchasers of Covered Bonds in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of Covered Bonds.

Selling Restrictions

Regulation S, Category 2, TEFRA D Rules apply, unless TEFRA C Rules are specified as applicable in the applicable Final Terms or unless TEFRA Rules are not applicable. Sales to QIBs in reliance upon Rule 144A under the United States Securities Act of 1933, as amended (the "**Securities Act**") or sales to Institutional Accredited Investors, in each case subject to the restrictions on acquisition and transfer provided for herein, will be permitted, if so specified in the applicable Final Terms.

The Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act or the securities laws or "blue sky" laws of any state or other jurisdiction of the United States and may not be offered, sold or delivered within the United States or its territories or possessions or to or for the account or benefit of U.S. persons as defined in Regulation S and the Securities Act except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

The Covered Bonds in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder. Bearer Covered Bonds (other than Temporary Global Covered Bonds) and any Coupon appertaining thereto where TEFRA D is specified in the Final Terms will bear a legend substantially to the following effect:

"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code".

The sections referred to in such legend provide that a United States person who holds a Bearer Covered Bond or Coupon generally will not be allowed to deduct any loss realized on the sale, exchange or redemption of such Bearer Covered Bond or Coupon and any gain (which might otherwise be characterised as capital gain) recognised on such sale, exchange or redemption will be treated as ordinary income.

In connection with any Covered Bonds which are offered or sold outside the United States in offshore transactions in reliance on Regulation S ("**Regulation S Covered Bonds**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulations S Covered Bonds (i) as part of its distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Tranche of Covered Bonds of which such Covered Bonds are a part, and except in either case in accordance with Regulation S under the Securities Act. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Regulation S Covered Bonds during the

Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Covered Bonds within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the commencement of the offering of Covered Bonds comprising any Tranche, any offer or sale of Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

The Dealership Agreement provides that the Dealers may arrange for the resale of Covered Bonds to QIBs pursuant to Rule 144A and each such purchaser of Covered Bonds is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Covered Bonds which may be purchased by a QIB pursuant to Rule 144A will be specified in the applicable Final Terms in U.S. dollars (or the approximate equivalent in another Specified Currency). The Issuer has undertaken in the Trust Deed to furnish, upon the request of a holder of such Covered Bonds or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of request, the Issuer is neither subject to reporting under Section 13 or 15(d) of the Exchange Act nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

Transfer Restrictions

Each purchaser of Registered Covered Bonds (other than a person purchasing an interest in a Registered Global Covered Bond with a view to holding it in the form of an interest in the same Global Covered Bond) or person wishing to transfer an interest from one Registered Global Covered Bond to another or from global to definitive form or vice versa, will be required to acknowledge, represent and agree, and each person purchasing an interest in a Registered Global Covered Bond with a view to holding it in the form of an interest in the same Global Covered Bond will be deemed to have acknowledged, represented and agreed, as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

- (a) that either: (a) it is a QIB, purchasing (or holding) the Covered Bonds for its own account or for the account of one or more QIBs and it is aware that any sale to it is being made in reliance on Rule 144A, (b) it is an Institutional Accredited Investor which has delivered an IAI Investment Letter (as defined below) or (c) it is outside the United States and is not a U.S. person;
- (b) that the Covered Bonds are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Covered Bonds and the Covered Bond Guarantee have not been and will not be registered under the Securities Act or the securities laws or “blue sky” laws of any state or other jurisdiction of the United States and may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons except as set forth in this section and in compliance with applicable U.S. securities laws;

- (c) it agrees that neither the Issuer nor the Guarantor has any obligation to register the Covered Bonds or the Covered Bond Guarantee under the Securities Act;
- (d) that, unless it holds an interest in a Regulation S Global Covered Bond and is a person located outside the United States and is not a U.S. person, if in the future it decides to resell, pledge or otherwise transfer the Covered Bonds or any beneficial interests in the Covered Bonds, it will do so, prior to the date which is one year after the later of the last Issue Date for the Series and the last date on which the Issuer or an affiliate of the Issuer was the owner of such Covered Bonds, only (a) to the Issuer or any affiliate thereof, (b) inside the United States to a person whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A, (c) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act, (d) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available) or (e) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. state securities laws;
- (e) it will, and will require each subsequent holder to, notify any purchaser of the Covered Bonds from it of the resale restrictions referred to in paragraph (d) above, if then applicable;
- (f) that Covered Bonds initially offered in the United States to QIBs will be represented by one or more Rule 144A Global Covered Bonds, that Covered Bonds offered in the United States to Institutional Accredited Investors will be in the form of Definitive IAI Registered Covered Bonds and that Covered Bonds offered outside the United States in reliance on Regulation S will be represented by one or more Regulation S Global Covered Bonds;
- (g) that either (a) it is not, and for so long as it holds a Covered Bond (or any interest therein) will not be and will not be acting on behalf of, a Benefit Plan Investor or a governmental, church or non U.S. plan which is subject to Similar Law, or (b) in the case of a Benefit Plan Investor, an administrative or statutory exemption applies to its acquisition and holding of the Covered Bond (or interest therein) and its acquisition, holding and disposition of the Covered Bond (or interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of such a governmental, church or non-U.S. plan, its acquisition, holding and disposition of the Covered Bond (or interest therein) will not constitute or result in a violation of Similar Law;
- (h) that, if it is, or is acting on behalf of, a Benefit Plan Investor, (i) none of the Issuer, the Guarantor, the Dealers, the Arranger, the Bond Trustee or any of their respective affiliates has provided any investment recommendation or investment advice on which it, or any Plan Fiduciary, has relied as a primary basis in connection with its decision to invest in the Covered Bonds, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of the Covered Bonds and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Covered Bonds;

- (i) that the Covered Bonds, other than the Regulation S Global Covered Bonds, will bear a legend to the following effect unless otherwise agreed to by the Issuer:

Upon execution and delivery of an IAI Investment Letter by an Institutional Accredited Investor, Covered

Bonds will be issued in definitive registered form (see “*Form of the Covered Bonds*”). The IAI Investment Letter will state, among other things, the following:

- (a) that the Institutional Accredited Investor has received a copy of the Prospectus and such other information as it deems necessary in order to make its investment decision;
- (b) that the Institutional Accredited Investor understands that the Covered Bonds are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Covered Bonds have not been and will not be registered under the Securities Act or the securities laws or “blue sky” laws of any state or other jurisdiction of the United States and that any subsequent transfer of the Covered Bonds is subject to certain restrictions and conditions set forth in the Prospectus and the Covered Bonds (including those set out above) and that it agrees to be bound by, and not to resell, pledge or otherwise transfer the Covered Bonds except in compliance with, such restrictions and conditions and the Securities Act;
- (c) that, in the normal course of its business, the Institutional Accredited Investor invests in or purchases securities similar to the Covered Bonds;
- (d) that the Institutional Accredited Investor is an institution that is an “accredited investor” within the meaning of Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in the Covered Bonds, and it and any accounts for which it is acting are each able to bear the economic risk of its or any such accounts’ investment for an indefinite period of time;
- (e) that the Institutional Accredited Investor is acquiring the Covered Bonds purchased by it for its own account or for one or more accounts (each of which is an Institutional Accredited Investor) as to each of which it exercises sole investment discretion and not with a view to any distribution of the Covered Bonds, subject, nevertheless, to the understanding that the disposition of its property will at all times be and remain within its control; and
- (f) that, in the event that the Institutional Accredited Investor purchases Covered Bonds, it will acquire Covered Bonds having at least the minimum purchase price set forth in the applicable Final Terms.

No sales of Legended Covered Bonds in the United States to any one purchaser will be for less than the minimum purchase price set forth in the applicable Final Terms in respect of the relevant Legended Covered Bonds (which minimum amount may vary for Institutional Accredited Investors). If the purchaser is a non-bank fiduciary acting on behalf of others, each person for whom it is acting must purchase at least an amount equal to the applicable minimum purchase price set forth in the applicable Final Terms in respect of the relevant Legended Covered Bonds.

Prohibition of Sales to EEA Retail Investors

Unless the Final Terms in respect of the Covered Bonds specifies the “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, each Dealer has represented and agreed and each

further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available, any Covered Bonds which are the subject of the offering contemplated by this Prospectus as completed by the Final Terms in relation thereto to any retail investor in the EEA. If the Final Terms in respect of any Covered Bonds specified the “Prohibition of Sales to EEA Retail Investors” as “Not Applicable”, then, in relation to each Relevant State, each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that it has not made and will not make an offer of Covered Bonds which are the subject of the offering contemplated by this Prospectus as completed by the applicable Final Terms in relation thereto to the public in that Relevant State except that it may make an offer of Covered Bonds to the public in that Relevant State:

provided that no such offer of Covered Bonds referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or a supplement to a prospectus pursuant to Article 23 of the Prospectus Regulation.

Prohibition of sales to UK Retail Investors

Unless the Final Terms in respect of any Covered Bonds specifies “Prohibition of Sales to UK Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any
