

**CANADIAN IMPERIAL BANK OF COMMERCE**  
**PROXY ACCESS POLICY**

- (a) **Inclusion of Nominees in Proxy Circular.** Subject to the provisions of this Policy, if expressly requested in the relevant Nomination Notice (as defined below), Canadian Imperial Bank of Commerce (the "Financial Institution") shall include in its proxy circular for any annual meeting of shareholders in a manner that clearly sets out the choices available to shareholders and the Board of Directors' recommendation:
- (i) the names of any person or persons nominated for election (each, a "Nominee"), which shall also be included on the Financial Institution's form of proxy and ballot, on the same page as, or the next page immediately following, the nominees recommended by the Board of Directors ("Board Nominees") but separated and labeled with the Board of Directors' recommendation, by any Eligible Holder (as defined below) or group of Eligible Holders that has (individually and collectively, in the case of a group) satisfied, as determined by the Board of Directors acting reasonably, all applicable conditions and complied with all applicable procedures set forth in this Policy (such Eligible Holder or group of Eligible Holders being a "Nominating Shareholder");
  - (ii) a statement ("Supplemental Statement") included by the Nominating Shareholder in the Nomination Notice for inclusion in the proxy circular in support of the election of such Nominee(s) to the Board of Directors (subject, without limitation, to Section (e)(ii)), if such statement does not exceed 500 words in the aggregate, plus such biographical information as the Financial Institution is required to include; and
  - (iii) any other information that the Financial Institution determines to include in the proxy circular relating to the nomination of each Nominee.
- (b) **Maximum Number of Nominees.**
- (i) The Financial Institution shall not be required to include in the proxy circular, form of proxy or ballot for an annual meeting of shareholders more Nominees than the Maximum Number. For such purposes the "Maximum Number" is the greater of: (x) two; and (y) the number that is not in excess of 20% of the total number of directors of the Financial Institution on the last day on which a Nomination Notice may be submitted pursuant to this Policy; provided that the Maximum Number for a particular annual meeting shall be reduced by the number of:
    - (A) Nominees who the Board of Directors itself decides to nominate for election at such annual meeting;
    - (B) Nominees who cease to satisfy, or Nominees who are nominees of a Nominating Shareholder that ceases to satisfy, the eligibility requirements in this Policy;
    - (C) Nominees whose nomination is withdrawn by the Nominating Shareholder or who become unwilling to serve on the Board of Directors; and
    - (D) incumbent directors whose re-election is being recommended by the Board of Directors at the upcoming annual meeting who had been Nominees with respect to any of the preceding two annual meetings;

In the event that one or more vacancies for any reason occurs on the Board of Directors after the deadline for submitting a Nomination Notice as set forth in Section (d) but before the date of the annual meeting and the Board of Directors resolves to reduce

the size of the board on or prior to the date of the annual meeting the Maximum Number shall be calculated based on the number of directors in office as so reduced.

- (ii) If the number of Nominees pursuant to this Policy for any annual meeting of shareholders exceeds the Maximum Number then, promptly upon notice from the Financial Institution, each Nominating Shareholder will select one Nominee for inclusion in the proxy circular until the Maximum Number is reached, going in order of the amount (largest to smallest) of the ownership position as disclosed in each Nominating Shareholder's Nomination Notice, with the process repeated following the same order if the Maximum Number is not reached after each Nominating Shareholder has selected one Nominee.
- (iii) If, after the deadline for submitting a Nomination Notice as set forth in Section (d), a Nominating Shareholder or a Nominee ceases to satisfy the eligibility requirements in this Policy, as determined by the Board of Directors, acting reasonably, a Nominating Shareholder withdraws its nomination or a Nominee becomes unwilling to serve on the Board of Directors, whether before or after the mailing or other distribution of the definitive proxy circular, then the nomination shall be disregarded, no vote on such Nominee will occur (notwithstanding that proxies in respect of such vote may have been received by the Financial Institution) and the Financial Institution: (1) shall not be required to include in its proxy circular or form of proxy or ballot the disregarded Nominee or any successor or replacement nominee proposed by the Nominating Shareholder or by any other Nominating Shareholder; and (2) may otherwise communicate to its shareholders, including without limitation by amending or supplementing its proxy circular or form of proxy, that the disregarded Nominee will not be included as a nominee in the proxy circular or form of proxy.

(c) **Eligibility of Nominating Shareholder.**

- (i) An "Eligible Holder" is a person who is not a "major shareholder" and does not hold a "significant interest" (or has received all required approvals to hold such significant interest), in each case, as defined in the Act and who is not otherwise precluded by the Act from exercising voting rights or being a shareholder of record, and has continuously for the three-year period specified in Section (c)(ii): (A) been a registered holder of common shares; and/or (B) beneficial owner of common shares who has provided to the Corporate Secretary of the Financial Institution, within the time period referred to in Section (d), evidence of beneficial ownership of such shares for the applicable period from one or more securities intermediaries in a form that the Board of Directors determines, acting reasonably, would be deemed acceptable for purposes of a shareholder proposal under the Act.
- (ii) An Eligible Holder or group of up to 20 Eligible Holders may submit a nomination in accordance with this Policy only if the number of common shares of the Financial Institution that have been held continuously throughout the three-year period preceding and including the date of submission of the Nomination Notice by the Eligible Holder is at least the Minimum Number, or in the case of a group only if, upon aggregating the number of common shares of the Financial Institution that have been held continuously throughout the three-year period preceding and including the date of submission of the Nomination Notice by each Eligible Person in the group, such aggregate number is at least the Minimum Number, and in either case at least the Minimum Number of such shares continue to be so held through the date of the annual meeting.
- (iii) Two or more funds that: (A) are under common management and investment control; (B) are under common management and funded primarily by a single employer; or (C)

hold themselves out to investors as related companies for purposes of investment and investment services, shall be treated as one Eligible Holder if such Eligible Holder shall provide together with the Nomination Notice documentation reasonably satisfactory to the Financial Institution that demonstrates that the funds meet the criteria set forth in (A), (B) or (C) of this Section (c)(iii).

- (iv) For the avoidance of doubt, in the event of a nomination by a group of Eligible Holders, any and all requirements and obligations for an individual Eligible Holder that are set forth in this Policy, including the minimum holding period, shall apply to each member of such group; provided, however, that the Minimum Number shall apply to the ownership of the group in the aggregate. Should any member of the group cease to satisfy the eligibility requirements in this Policy, or withdraw from a group of Eligible Holders at any time prior to the annual meeting of shareholders, the group of Eligible Holders shall only be deemed to own the shares held by the remaining members of the group.
- (v) The “**Minimum Number**” of the Financial Institution’s common shares means 5% of the number of outstanding common shares as of the most recent date for which such amount is given in the most recent annual or quarterly financial statements filed by the Financial Institution on SEDAR (System for Electronic Document Analysis and Retrieval) at [www.sedar.com](http://www.sedar.com) prior to the submission of the Nomination Notice.
- (vi) For purposes of this Policy, an Eligible Holder “**holds**” or “**owns**”, as the case may be, only those outstanding common shares of the Financial Institution as to which the Eligible Holder possesses both:
  - (A) the full voting and investment rights pertaining to the common shares; and
  - (B) the full economic interest in (including the opportunity for profit and risk of loss on) such common shares,

provided that the number of common shares calculated in accordance with clauses (A) and (B) shall not include any common shares:

- (1) purchased or sold by such Eligible Holder or any of its affiliates in any transaction that has not been settled or closed;
- (2) sold short by such Eligible Holder;
- (3) borrowed by such Eligible Holder or any of its affiliates for any purpose or purchased by such Eligible Holder or any of its affiliates pursuant to an agreement to resell or subject to any other obligation to resell to another person; or
- (4) subject to any option, warrant, forward contract, swap, contract of sale, other derivative or similar agreement entered into by such Eligible Holder or any of its affiliates, whether any such instrument or agreement is to be settled with shares or with cash based on the notional amount or value of outstanding shares of the Financial Institution, in any such case which instrument or agreement has, or is intended to have, the purpose or effect of (x) reducing in any manner, to any extent or at any time in the future, such Eligible Holder’s or any of its affiliates’ full right to vote or direct the voting of any such shares, and/or (y) hedging, offsetting, or altering to any degree, gain

or loss arising from the full economic ownership of such shares by such Eligible Holder or any of its affiliates.

- (vii) An Eligible Holder “owns” shares held in the name of a nominee or other intermediary so long as the Eligible Holder retains the right to instruct how the shares are voted with respect to the election of directors and possesses the full economic interest in the shares. An Eligible Holder’s ownership of shares shall be deemed to continue during any period in which the Eligible Holder has delegated any voting power by means of a proxy, power of attorney, or other similar instrument or arrangement that is revocable at any time by the Eligible Holder. An Eligible Holder’s ownership of shares shall be deemed to continue during any period in which the Eligible Holder has loaned such shares provided that the Eligible Holder has the power to recall such loaned shares on not more than five business days’ notice and continues to own such shares through the date of the annual meeting. The terms “owned,” “owning” and other variations of the word “own” shall have correlative meanings.
  - (viii) No Eligible Holder shall be permitted to be in more than one group constituting a Nominating Shareholder, and if any Eligible Holder appears as a member of more than one group, it shall be deemed to be a member of the group that has the largest ownership position as reflected in the Nomination Notice.
- (d) **Nomination Notice.** To nominate a Nominee, the Nominating Shareholder must, prior to the deadline for submitting a shareholder proposal set forth in the Financial Institution’s most recent proxy circular, submit to the Corporate Secretary of the Financial Institution at the principal executive office of the Financial Institution a signed written notice (the “**Nomination Notice**”) containing the following:

- (F) whether, in the opinion of the Nominating Shareholder and the Nominee, the Nominee would be considered to be affiliated with the Financial Institution for purposes of subsections 3(e) to (i) of the *Affiliated Persons (Banks) Regulations* made under the Act (without reference to clause (b) of the definition of "not in good standing" and clauses (a)(ii) and (b)(ii) of the definition of "significant borrower" in such regulation);
  - (G) a description of:

- (ii) Notwithstanding anything to the contrary contained in this Policy, the Financial Institution may omit from its proxy circular, or may supplement or correct, any information, including all or any portion of the Supplemental Statement or any other statement in support of a Nominee included in the Nomination Notice, if the Board of Directors determines, acting reasonably, that:

Each party consents to any action, application, reference or other proceeding arising out of or related to this Agreement being tried in Toronto and, in particular, being placed on the Commercial List of the Ontario Superior Court of Justice.
