(1) For additional information, see the "Non-GAAP measures" section.
(2) The ratio is calculated as the provision for credit losses on impaired loans to average loans and acceptances, net of allowance for credit losses. The provision for credit losses on impaired loans includes provision for: individual allowance; collective allowance on personal, scored small business loans and mortgages that are greater than 90 days delinquent; and net credit card write-offs.
(3) Average interest-earning assets include interest-bearing deposits with banks, securities, securities borrowed or purchased under resale agreements, and loans net of allowances
(4) Net income expressed as a percentage of average assets or average interest-earning assets.
(5) Includes the full contract amount of assets under administration or custody of CIBC Mellon Global Securities Services Company, which is a $50 / 50$ joint venture between CIBC and The Bank of New York Mellon.
(6) Capital measures for fiscal year 2011 are under Canadian GAAP and have not been restated for IFRS.
(7) For the purposes of calculating this ratio, Retail includes Retail and Business Banking, Wealth Management, and International banking operations (reported as part of Corporate and Other). The ratio represents the amount of economic capital attributed to these businesses as at the end of the period.
