

UK MIFIR product governance / Retail investors, professional investors and ECPs target market –

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes are appropriate, including investment advice, portfolio management, non-advised sales and pure execution services, subject to the suitability and appropriateness obligations of the Distributor (as defined below) under COBS, as applicable. Any person subsequently offering, selling or recommending the Notes (a "**Distributor**") should take into consideration the manufacturer's target market assessment; however, a Distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the Distributor's suitability and appropriateness obligations under COBS, as applicable.

PRIIPs Regulation – PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the European Economic Area ("**EEA**"). For these purposes, a "**retail investor**" means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, as amended (the "**Prospectus Regulation**"). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

2.1 FINAL REDEMPTION

If the Preference Shares have not:

- (a) been previously redeemed in accordance with Condition 2.3 (*Company Call*), Condition 2.4 (*Shareholder Put*) or Condition 3 (*Early Redemption if there is a Preference Share Early Redemption Event*); or
- (b) become redeemable under Condition 3 (*Early Redemption if there is a Preference Share Early Redemption Event*),

Upon the occurrence of a Shareholder exercising its right in accordance with Condition 2.4, the Company shall give a Preference Share Early Redemption Notice as soon as practicable to Shareholders in accordance with Condition 6 (*Notices*) of the early redemption of each of the then outstanding Preference Shares.

3. **EARLY REDEMPTION IF THERE IS A PREFERENCE SHARE EARLY REDEMPTION EVENT**

For the purposes of this Condition 3 only, following the delivery of a Preference Share Early Redemption Notice, each Shareholder shall have the right exercisable from and including the Preference Share Early Valuation Date to and including the Preference Share Early Redemption Date to require the Company to redeem the Preference Shares immediately (and if that right is not exercised the Company will redeem all of the Preference Shares on the Preference Share Early Redemption Date) at the Preference Share Early Redemption Amount in respect of each Preference Share, subject to applicable laws, the Articles and the Conditions.

4. **DIVIDENDS**

In accordance with the Articles, no dividends will be paid in respect of the Preference Shares.

5. **FURTHER PREFERENCE SHARES**

The Company shall be entitled to issue further Preference Shares from time to time to be consolidated and form a single class with the Preference Shares **provided that** the rights conferred upon the Shareholders shall not be varied, amended or abrogated by the creation, allotment or issue of any further Preference Shares of the same class as the Preference Shares or any different class.

6. **NOTICES**

Notices to Shareholders shall be delivered to Shareholders at the address for each Shareholder set out in the register of members of the Company with a copy to the Calculation Agent. Any such notice will become effective on the first calendar day after such delivery to such address. Where a notice is being delivered in accordance with Condition 3 (*Early Redemption if there is a Preference Share Early Redemption Event*), such notice shall specify the relevant Preference Share Early Valuation Date. A copy of any Preference Share Early Redemption Notice shall also be delivered to any Hedging Counterparty.

Notices to the Company shall be delivered to the Company at the address of the registered office of the Company with a copy to the Calculation Agent. Any such notice will become effective on the first calendar day after such delivery to such address.

7. CALCULATIONS AND DETERMINATIONS

Any calculations, determinations and adjustments to be made in relation to the Conditions shall (a) unless otherwise specified, be made by the Calculation Agent and in such a manner as the Calculation Agent determines is appropriate acting in good faith and in a commercially reasonable manner (having regard in each case to the criteria stipulated in the Conditions and the hedging arrangements entered into with any Hedging Counterparty) and (b) be final and binding upon the Company, the Shareholders and any Related Financial Product investors and the Calculation Agent shall not have any liability to the Company, the Shareholders or any Related Financial Product investors in respect of any calculation, determination or adjustment made or provided by it.

Notwithstanding that certain calculations, determinations and adjustments in the Conditions may be expressed to be on a certain date, the Calculation Agent may make such calculations, determinations and adjustments in respect of that date on a date after that date determined by it in its discretion.

Pursuant to the Conditions the Calculation Agent has a number of discretions. These are necessary since certain circumstances or the occurrence of certain events may materially affect the costs to the Company and/or a Hedging Counterparty (including in relation to any Related Financial Product) and/or any issuer or obligor of a Related Financial Product of maintaining the Preference Shares or a Related Financial Product or hedging arrangements for the Preference Shares or a Related Financial Product, in each case before and after the occurrence of such event in a way which has not been reflected in the pricing of the Preference Shares and/or the Related Financial Product. In addition, certain circumstances may arise where it is not reasonably practicable or otherwise not appropriate for certain valuations to be carried out in relation to relevant reference assets and in these circumstances the Calculation Agent also may exercise certain discretions.

8. SEVERABILITY

Should any one or more of the provisions contained in the Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

9. GOVERNING LAW AND JURISDICTION

The Conditions and all non-contractual obligations arising from or in connection with the Conditions shall be governed by and construed in accordance with English law. The English courts shall have exclusive jurisdiction to deal with any dispute and all non-contractual obligations arising from or in connection with the Conditions.

10. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any rights to enforce any terms or conditions of the Preference Shares under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or

remedy of any person which exists or is available apart from the Contracts (Rights of Third Parties) Act 1999.

11. CALCULATION AGENT MODIFICATIONS

The Calculation Agent will employ the methodology and comply with the provisions described in the Conditions to determine the amounts payable in respect of the Preference Shares. The Calculation Agent's determination in the application of such methodology and compliance with the provisions shall be final, conclusive and binding on the Company and Shareholders except in the case of manifest error.

The Calculation Agent shall be free to modify such methodology or provisions from time to time, acting in good faith and in a commercially reasonable manner, (1) as it deems appropriate in response to any market, regulatory, juridical, fiscal or other circumstances which may arise which, in the opinion of the Calculation Agent, necessitates or makes desirable (taking into account the interests of the Company and any obligor of a Related Financial Product) a modification or change of such methodology or provisions or (2) for the purposes of (i) preserving the intended economic terms of the Preference Shares or (ii) curing any ambiguity or correcting or supplementing any provision of the Conditions or (iii) accounting for any change in the basis on which any relevant values, levels or information is calculated or provided which would materially change the commercial effect of any provision or provisions of the Conditions or (iv) replacing any information provider or source or (v) making amendments to the provisions of a formal, minor or technical nature or (vi) correcting any manifest or proven errors or (vii) making such amendments to comply with mandatory provisions of any applicable laws, provided that no modification by the Calculation Agent constituting a variation (or deemed variation) of the rights of the Preference Shares (or any other class of shares of the Company) for the purposes of sections 630-640 of the Companies Act 2006 (including any statutory modification or re-enactment of it for the time being in force) and/or the Articles shall have effect unless previously approved in accordance with the Companies Act 2006 and the Articles.

Other than with respect to payments, where the Company fails to exercise any discretion or take any action provided to it in the Conditions when the exercise of such discretion or action would be necessary or desirable (as determined by the Calculation Agent), the Calculation Agent may exercise such discretion on its behalf.

12. CONSEQUENCES OF DISRUPTED DAYS

If any Scheduled Valuation Date is a Disrupted Day, then the Valuation Date or the Strike Date, as the case may be, for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date and that Valuation Date for an Index affected by the occurrence of a Disrupted Day (an "**Affected Index**") shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to such Affected Index, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day relating to that Index. In that case, (i) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date for the Affected Index, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall, where applicable, determine the Reference Price using, in relation to the Affected Index, the level of that Index determined in the manner set out in the applicable Final Terms or, if not set out or if not so practicable, using the level of that Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the

formula for and method of calculating that Index last in effect prior to the occurrence of the Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth Scheduled Trading Day of each security/commodity comprised in that Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security/commodity on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security/commodity as of the Valuation Time on that eighth Scheduled Trading Day).

13. ADJUSTMENTS

(a) **Successor Index Sponsor calculates and reports an Index**

If an Index is (A) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (a **“Successor Index Sponsor”**) acceptable to the Calculation Agent or (B) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then, in each case, that index (the **“Successor Index”**) will be deemed to be the Index.

(b) **Modification and Cessation of Calculation of an Index**

If (i) on or prior to the Valuation Date or the Strike Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalization, contracts or commodities and other routine events) (an **“Index Modification”**) or permanently cancels the Index and no Successor Index exists (an **“Index Cancellation”**), or (ii) on the Valuation Date or the Strike Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an **“Index Disruption”** and, together with an Index Modification and an Index Cancellation, each an **“Index Adjustment Event”**), then the Issuer may take the action described in (A) or (B) below:

- (A) require the Calculation Agent to determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the Reference Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date or the Strike Date, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (B) give notice to the Shareholders in accordance with Condition 6 (*Notices*) and redeem all, but not some only, of the Preference Shares in accordance with Condition 3 (*Early Redemption if there is a Preference Share Early Redemption Event*).

14. ADDITIONAL DISRUPTION EVENTS

- (a) Following the occurrence of an Additional Disruption Event, the Company, or the Calculation Agent on behalf of the Company, will determine whether or not the Preference Shares shall continue or be redeemed early.
- (b) If the Company, or the Calculation Agent on behalf of the Company, determines that the Preference Shares shall continue, the Calculation Agent may make such adjustment as the Calculation Agent considers appropriate, if any, to any one or more of the Conditions to account for the Additional Disruption Event and determine the effective date of that adjustment.
- (c) If the Company, or the Calculation Agent on behalf of the Company, determines that the Preference Shares shall be redeemed early, then the Company shall redeem all but not some only of the Preference Shares in accordance with Condition 3 (*Early Redemption if there is a Preference Share Early Redemption Event*).
- (d) Upon the occurrence of an Additional Disruption Event, the Company, or the Calculation Agent on behalf of the Company, shall give notice as soon as practicable to the Shareholders stating the occurrence of the Additional Disruption Event, giving details thereof and the action proposed to be taken in relation thereto Provided That any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

For the purposes of this Condition 14:

“Additional Disruption Event” means any of Change of Law, Hedging Disruption, Increased Cost of Hedging and/or Insolvency Filing.

“Change in Law” means that on or after the Issue Date, (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines that (A) it has become illegal to hold, acquire or dispose of any securities/commodities comprising an Index or contracts relating to such Index or (B) the Company or any Hedging Counterparty will incur a materially increased cost in performing its obligations in relation to the Preference Shares or any Related Financial Product (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Company and/or any Hedging Counterparty).

“Hedging Disruption” means that the Company and/or any Hedging Counterparty is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Company issuing and performing its obligations with respect to the Preference Shares or of any obligor of a Related Financial Product issuing and performing its obligations with respect to a Related Financial Product, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

“Increased Cost of Hedging” means that the Company and/or any Hedging Counterparty would incur a materially increased (as compared with circumstances existing on the Issue Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Company issuing and performing its obligations with respect to the Preference Shares or of any obligor of a Related

Financial Product issuing and performing its obligations with respect to a Related Financial Product, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Company and/or any Financial Product obligor shall not be deemed an Increased Cost of Hedging.

“Insolvency Filing” means that the Company institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organization or the jurisdiction of its head or home office, or it consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official or it consents to such a petition, provided that proceedings instituted or petitions presented by creditors and not consented to by the Company shall not be deemed an Insolvency Filing.

15. CORRECTION OF INDEX LEVELS

With the exception of any corrections published after the day which is two Business Days prior to the due date for any payment under the Preference Shares, if the level of any Index, published by the Index Sponsor and which is utilised by the Calculation Agent for any calculation or determination (the **“Original Determination”**) under the Preference Shares is subsequently corrected and the correction (the **“Corrected Value”**) is published by the relevant Index Sponsor within five days of the original publication, the level to be used for the purposes of the Conditions (the **“Replacement Determination”**) shall be the Corrected Value. Corrections published after the day which is two Business Days prior to a due date for payment under the Preference Shares will be disregarded by the Calculation Agent for the purposes of determining the relevant amount. If the result of the Replacement Determination is different from the Corrected Value result of the Original Determination, to the extent that it determines to be necessary and practicable, the Calculation Agent may adjust the Conditions accordingly.

CALCULATION AGENT DISCLAIMERS

The Calculation Agent makes no express or implied representations or warranties as to (a) the advisability of investing in or obtaining exposure to the Preference Shares, (b) the value of the Preference Shares at any particular time on any particular date, or (c) any amounts that may become payable in respect of the Preference Shares. The Calculation Agent shall not act as agent or trustee for the holders of the Preference Shares or any Related Financial Product.

Without limiting any of the foregoing, in no event shall the Calculation Agent have any liability (whether in negligence or otherwise) to any Shareholders or Related Financial Product investors for any direct, indirect, special, punitive, consequential or any other damages (including loss of profits) even if notified of the possibility of such damages.

In addition, to providing calculation agency services to the Company, the Calculation Agent or any of its Affiliates, may perform further or alternative roles relating to the Company and any series of Preference Shares. Furthermore, the Calculation Agent or any of its Affiliates may contract with the Company and/or enter into transactions which relate to the Company, the Preference Shares or an Index and as a result the Calculation Agent may face a conflict between its obligations as Calculation Agent and its and/or its Affiliates' interests in other capacities. Subject to all regulatory obligations, neither the Company nor the Calculation Agent in respect of the Preference Shares owes any duty or responsibility to any Shareholder or Related Financial Product investor to avoid any conflict or to act in the interest of any Shareholder or Related Financial Product investor.
