The Preference Share Final Redemption Amount or Preference Share Early Redemption Amount, as the case may be, may not be less than GBP 0.0001 and will be rounded to the nearest two decimal places in the Settlement Currency, 0.005 being rounded downwards, provided that in the case of Preference Shares redeemed at the same time by the same Shareholder, such rounding shall only occur following calculation of the aggregate amounts due in respect of such Preference Shares.

2.1 FINAL REDEMPTION

- (b) become redeemable under Condition 3 (Early Redemption if there is a Preference Share Early Redemption Event),

each Shareholder shall have the right exercisable from and including the Valuation Date to and including the Preference Share Final Redemption Date, by giving notice to the Company, to require the Company immediately to pay or cause to be paid, and if that right is not exercised, the Company will pay or cause to be paid on the Preference Share Final Redemption Date, the Preference Share Final Redemption Amount in respect of each Preference Share in the Settlement Currency, subject to applicable laws, the Articles and the Conditions.

The Company shall have the right exercisable during the Call and Put Period to redeem compulsorily all of the then outstanding Preference Shares at the Call and Put Redemption Amount payable on the date that right is exercised in accordance with the Articles, the Conditions and in the manner determined by the Company.

Upon the Company exercising its right in accordance with Condition 2.3, it shall give an Preference Share Early Redemption Notice as soon as practicable to Shareholders in accordance with Condition 6 (*Notices*) of the early redemption of each of the then outstanding Preference Shares.

2.4 SHAREHOLDER PUT

If the Company has not given notice of its right to redeem compulsorily the Preference Shares in accordance with Condition 2.3 (*Company Call*), each Shareholder shall have the right

exercisable during the Call and Put Period, by giving notice to the Company, to have all of its outstanding Preference Shares redeemed at the Call and Put Redemption Amount payable on the date that right is exercised in accordance with the Articles, the Conditions and in the manner determined by the Company.

Upon the occurrence of a Shareholder exercising its right in accordance with Condition 2.4, the Company shall give an Preference Share Early Redemption Notice as soon as practicable to Shareholders in accordance with Condition 6 (*Notices*) of the early redemption of each of the then outstanding Preference Shares.

3. EARLY REDEMPTION IF THERE IS AN PREFERENCE SHARE EARLY REDEMPTION EVENT

If the Company, or the Calculation Agent on behalf of the Company, determines that there is an Preference Share Early Redemption Event falling within paragraphs (a) to (c) of the definition of Preference Share Early Redemption Event, the Company, or the Calculation Agent on behalf of the Company, may, but shall not be obliged to elect to redeem early the outstanding Preference Shares by giving an Preference Share Early Redemption Notice to Shareholders in accordance with Condition 6 (*Notices*) below, and if the Company, or the Calculation Agent on behalf of the Company, determines that there is an Preference Share Early Redemption Event falling within paragraph (d) of that definition then the Company, or the Calculation Agent on behalf of the Company, must redeem early the outstanding Preference Shares by giving an Preference Share Early Redemption Notice to Shareholders in accordance with Condition 6 (*Notices*) below.

For the purposes of this Condition 3 only, following the delivery of an Preference Share Early Redemption Notice, each Shareholder shall have the right exercisable from and including the Preference Share Early Valuation Date to and including the Preference Share Early Redemption Date to require the Company to redeem the outstanding Preference Shares immediately (and if that right is not exercised the Company will redeem all of the outstanding Preference Shares on the Preference Share Early Redemption Date) at the Preference Share Early Redemption Amount in respect of each Preference Share, subject to applicable laws, the Articles and the Conditions.

4. DIVIDENDS

In accordance with the Articles, no dividends will be paid in respect of the Preference Shares.

5. FURTHER PREFERENCE SHARES

The Company shall be entitled to issue further Preference Shares from time to time to be consolidated and form a single class with the Preference Shares **provided that** the rights conferred upon the Shareholders shall not be varied, amended or abrogated by the creation, allotment or issue of any further Preference Shares of the same class as the Preference Shares or any different class.

6. NOTICES

Notices to Shareholders shall be delivered to Shareholders at the address for each Shareholder set out in the register of members of the Company with a copy to the Calculation Agent. Any such notice will become effective on the first calendar day after such delivery to

such address. Where a notice is being delivered in accordance with Condition 3 (*Early Redemption if there is a Preference Share Early Redemption Event*), such notice shall specify the relevant Preference Share Early Valuation Date. A copy of any Preference Share Early Redemption Notice shall also be delivered to any Hedging Counterparty.

Notices to the Company shall be delivered to the Company at the address of the registered office of the Company with a copy to the Calculation Agent. Any such notice will become effective on the first calendar day after such delivery to such address.

7. CALCULATIONS AND DETERMINATIONS

Any calculations, determinations and adjustments to be made in relation to the Conditions shall (a) unless otherwise specified, be made by the Calculation Agent and in such a manner as the Calculation Agent determines is appropriate acting in good faith and in a commercially reasonable manner (having regard in each case to the criteria stipulated in the Conditions and the hedging arrangements entered into with any Hedging Counterparty) and (b) be final and binding upon the Company, the Shareholders and any Related Financial Product investors and the Calculation Agent shall not have any liability to the Company, the Shareholders or any Related Financial Product investors in respect of any calculation, determination or adjustment made or provided by it.

Notwithstanding that certain calculations, determinations and adjustments in the Conditions may be expressed to be on a certain date, the Calculation Agent may make such calculations, determinations and adjustments in respect of that date on a date after that date determined by it in its discretion.

Pursuant to the Conditions the Calculation Agent has a number of discretions. These are necessary since certain circumstances or the occurrence of certain events may materially affect the costs to the Company and/or a Hedging Counterparty (including in relation to any Related Financial Product) and/or any issuer or obligor of a Related Financial Product of maintaining the Preference Shares or a Related Financial Product or hedging arrangements for the Preference Shares or a Related Financial Product, in each case before and after the occurrence of such event in a way which has not been reflected in the pricing of the Preference Shares and/or the Related Financial Product. In addition, certain circumstances may arise where it is not reasonably practicable or otherwise not appropriate for certain valuations to be carried out in relation to relevant reference assets and in these circumstances the Calculation Agent also may exercise certain discretions.

8. SEVERABILITY

Should any one or more of the provisions contained in the Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

9. GOVERNING LAW AND JURISDICTION

The Conditions and all non-contractual obligations arising from or in connection with the Conditions shall be governed by and construed in accordance with English law. The English courts shall have exclusive jurisdiction to deal with any dispute and all non-contractual obligations arising from or in connection with the Conditions.

10. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any rights to enforce any terms or conditions of the Preference Shares under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from the Contracts (Rights of Third Parties) Act 1999.

11. CALCULATION AGENT MODIFICATIONS

The Calculation Agent will employ the methodology and comply with the provisions described in the Conditions to determine the amounts payable in respect of the Preference Shares. The Calculation Agent's determination in the application of such methodology and compliance with the provisions shall be final, conclusive and binding on the Company and Shareholders except in the case of manifest error.

The Calculation Agent shall be free to modify such methodology or provisions from time to time, acting in good faith and in a commercially reasonable manner, (1) as it deems appropriate in response to any market, regulatory, juridical, fiscal or other circumstances which may arise which, in the opinion of the Calculation Agent, necessitates or makes desirable (taking into account the interests of the Company and any obligor of a Related Financial Product) a modification or change of such methodology or provisions or (2) for the purposes of (i) preserving the intended economic terms of the Preference Shares or (ii) curing any ambiguity or correcting or supplementing any provision of the Conditions or (iii) accounting for any change in the basis on which any relevant values, levels or information is calculated or provided which would materially change the commercial effect of any provision or provisions of the Conditions or (iv) replacing any information provider or source or (v) making amendments to the provisions of a formal, minor or technical nature or (vi) correcting any manifest or proven errors or (vii) making such amendments to comply with mandatory provisions of any applicable laws, provided that no modification by the Calculation Agent constituting a variation (or deemed variation) of the rights of the Preference Shares (or any other class of shares of the Company) for the purposes of sections 630-640 of the Companies Act 2006 (including any statutory modification or re-enactment of it for the time being in force) and/or the Articles shall have effect unless previously approved in accordance with the Companies Act 2006 and the Articles.

Other than with respect to payments, where the Company fails to exercise any discretion or take any action provided to it in the Conditions when the exercise of such discretion or action would be necessary or desirable (as determined by the Calculation Agent), the Calculation Agent may exercise such discretion on its behalf.

12. CONSEQUENCES OF DISRUPTED DAYS

If any Scheduled Valuation Date is a Disrupted Day, then the Valuation Date or the Strike Date, as the case may be, shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight Scheduled Trading Days immediately following the relevant Scheduled Valuation Date is a Disrupted Day. In that case, (a) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date or the Strike Date, as the case may be, notwithstanding the fact that such day is a Disrupted Day, and (b) the Calculation Agent shall, where practicable, determine the Underlying Equity Level in accordance with its good faith estimate of the Underlying Equity Level as of the Valuation Time on that eighth Scheduled Trading Day.

13. ADJUSTMENTS

- (a) Following the declaration by an Equity Issuer of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the Underlying Equity and, if so, will (a) make the corresponding adjustment, if any, to any one or more of the relevant Strike Price and/or Underlying Equity Level and/or Preference Share Final Redemption Amount and/or any of the other terms of the Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting, concentrative or other effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the Underlying Equity) and (b) determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Underlying Equity traded on that options exchange. Upon making any such adjustment, the Company shall give notice as soon as practicable to the Shareholders in accordance with Condition 6 (Notices), stating the adjustment to the relevant Strike Price and/or Underlying Equity Level and/or Preference Share Final Redemption Amount and/or any of the other terms of these Conditions and giving brief details of the Potential Adjustment Event.

For the purposes of this Condition 13(a):

“Potential Adjustment Event” means any of the following:

- (i) a subdivision, consolidation or reclassification of an Underlying Equity (unless resulting in a Merger Event), or a free distribution or dividend of the Underlying Equity to existing holders by way of bonus, capitalization or similar issue;

other shares of the capital stock of such Equity Issuer, pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value as determined by the Calculation Agent, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or

- (vii) any other event that has or may have, in the opinion of the Calculation Agent, a diluting, concentrative or other effect on the theoretical value of an Underlying Equity.
- (b) If, on or prior to the Valuation Date or the Strike Date, a De-listing, Merger Event, Tender Offer, Nationalization or Insolvency occurs in relation to an Underlying Equity the Company in its sole and absolute discretion may (i) require the Calculation Agent to determine in its sole and absolute discretion an appropriate adjustment, if any, to be made to any one or more of the Strike Price and/or Underlying Equity Level and/or Preference Share Final Redemption Amount to account for the De-listing, Merger Event, Tender Offer, Nationalization or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may in the case of adjustments following a Merger Event or Tender Offer include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to an Underlying Equity; or (ii) give a Preference Share Early Redemption Notice to redeem the Preference Shares at the Preference Share Early Redemption Amount.

Upon the occurrence (if applicable) of a De-listing, Merger Event, Tender Offer, Nationalization or Insolvency, the Company shall give notice as soon as practicable to the Shareholders in accordance with Condition 6 stating the occurrence of the De-listing, Merger Event, Tender Offer, Nationalization or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

For the purposes of this Condition 13(b):

- (c) If any Underlying Equity Level is subsequently corrected and the correction (the “Corrected Share Price”) is published on the relevant Exchange prior to the Correction Cut-Off Date then such Corrected Share Price shall be deemed to be the Underlying Equity Level for that Valuation Date and the Calculation Agent shall use such Corrected Share Price in determining the Preference Share Final Redemption Amount.
- (d) In respect of an Underlying Equity being originally quoted, listed and/or dealer as of the Strike Date in a currency of a member state of the European Union that has not adopted the single currency in accordance with the Treaty establishing the European Community, as amended, if such Underlying Equity is at any time after the Strike Date quoted, listed and/or dealt exclusively in euro on the relevant Exchange, then the Calculation Agent will adjust any one or more of the Strike Price and/or Underlying Equity Level and/or Preference Share Final Redemption Amount and/or any of the other terms of these Conditions as the Calculation Agent determines in its sole and absolute discretion to be appropriate to preserve the economic terms of the Preference Shares. The Calculation Agent will make any conversion necessary for the purposes

of any such adjustment as of the Valuation Time at an appropriate mid-market spot rate of exchange determined by the Calculation Agent prevailing as of the Valuation Time. No adjustments under this Condition 13(d) will affect the currency denomination of any payments in respect of the Preference Shares.

14. ADDITIONAL DISRUPTION EVENTS

- (a) Following the occurrence of an Additional Disruption Event, the Company, or the Calculation Agent on behalf of the Company, will determine whether or not the Preference Shares shall continue or be redeemed early.
- (b) If the Company, or the Calculation Agent on behalf of the Company, determines that the Preference Shares shall continue, the Calculation Agent may make such adjustment as the Calculation Agent considers appropriate, if any, to any one or more of the Conditions to account for the Additional Disruption Event and determine the effective date of that adjustment.
- (c) If the Company, or the Calculation Agent on behalf of the Company, determines that the Preference Shares shall be redeemed early, then the Company shall redeem all but not some only of the Preference Shares in accordance with Condition 3 (*Early Redemption if there is an Preference Share Early Redemption Event*).
- (d) Upon the occurrence of an Additional Disruption Event, the Company, or the Calculation Agent on behalf of the Company, shall give notice as soon as practicable to the Shareholders stating the occurrence of the Additional Disruption Event, giving details thereof and the action proposed to be taken in relation thereto Provided That any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

“Change in Law” means that on or after the Issue Date, (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines that (A) it has become illegal to hold, acquire or dispose of the Underlying Equity or (B) the Company or any Hedging Counterparty will incur a materially increased cost in performing its obligations in relation to the Preference Shares or any Related Financial Product (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Company and/or any Hedging Counterparty).

“Insolvency Filing” means that an Equity Issuer institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organization or the jurisdiction of its head or home office, or it consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official or it consents to such a petition, provided that proceedings instituted or petitions presented by creditors and not consented to by the Equity Issuer shall not be deemed an Insolvency Filing.

15. CORRECTION UNDERLYING EQUITY PRICES

With the exception of any corrections published after the day which is two Business Days prior to the due date for any payment under the Preference Shares, if the published price of an Underlying Equity is subsequently corrected and the correction (the **“Corrected Value”**) is published within five days of the original publication, the price to be used for the purposes of the Conditions shall be the Corrected Value. Corrections published after the day which is two Business Days prior to a due date for payment under the Preference Shares will be disregarded by the Calculation Agent for the purposes of determining the relevant amount.

Furthermore, the Calculation Agent or any of its Affiliates may contract with the Company and/or enter into transactions which relate to the Company, the Preference Shares or an Underlying Equity and as a result the Calculation Agent may face a conflict between its obligations as Calculation Agent and its and/or its Affiliates' interests in other capacities. Subject to all regulatory obligations, neither the Company nor the Calculation Agent in respect of the Preference Shares owes any duty or responsibility to any Shareholder or Related Financial Product investor to avoid any conflict or to act in the interest of any Shareholder or Related Financial Product investor.
