A NOTE ABOUT FORWARD-LOOKING STATEMENTS

From time to time, we make written or oral forward-looking statements within the meaning of certain securities laws, including in this Annual Information Form, in other filings with Canadian securities regulators or the U.S. Securities and Exchange Commission and in other communications. All such statements are made pursuant to the “safe harbour” provisions of, and are intended to be forward-looking statements under applicable Canadian and U.S. securities legislation, including the U.S. Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements made about our operations, business lines, financial condition, risk management, priorities, targets and sustainability commitments (including with respect to our sustainability ambitions and our environmental, social and governance (ESG) related activities), ongoing objectives, strategies, the regulatory environment in which we operate and outlook for calendar year 2026 and subsequent periods. Forward-looking statements are typically identified by the words “believe”, “expect”, “anticipate”, “intend”, “estimate”, “forecast”, “target”, “predict”, “commit”, “ambition”, “goal”, “strive”, “project”, “objective” and other similar expressions or future or conditional verbs such as “will”, “may”, “should”, “would” and “could”. By their nature, these statements require us to make assumptions, including the economic assumptions set out in this Annual Information Form, and are subject to inherent risks and uncertainties that may be general or specific. Given the potential negative economic impacts tied to the actual and proposed U.S. imposition of tariffs on Canada and other countries and their countermeasures, the softening labour market and uncertain political conditions in the U.S., the continuing impact of hybrid work arrangements and high interest rates on the U.S. real estate sector, and the war in Ukraine and conflict in the Middle East on the global economy, financial markets, and our business, results of operations, reputation and financial condition, there is inherently more uncertainty associated with our assumptions as compared to prior periods. A variety of factors, many of which are beyond our control, affect our operations, performance and results, and could cause actual results to differ materially from the expectations expressed in any of our forward-looking statements. These factors include: trade policies and tensions, including tariffs; inflationary pressures in the U.S.; global supply-chain disruptions; geopolitical risk, including from the war in Ukraine and conflict in the Middle East; the impact of post-pandemic hybrid work arrangements; credit, market, liquidity, strategic, insurance, operational, reputation, conduct and legal, regulatory and environmental risk; currency value and interest rate fluctuations, including as a result of market and oil price volatility; the effectiveness and adequacy of our risk management and valuation models and processes; legislative or regulatory developments in the jurisdictions where we operate, including the Organisation for Economic Co-operation and Development Common Reporting Standard, and regulatory reforms in the United Kingdom and Europe, the Basel Committee on Banking Supervision’s global standards for capital and liquidity reform, and those relating to bank recapitalization legislation and the payments system in Canada; amendments to, and interpretations of, risk-based capital guidelines and reporting instructions, and interest rate and liquidity regulatory guidance; exposure to, and the resolution of, significant litigation or regulatory matters, our ability to successfully appeal adverse outcomes of such matters and the timing, determination and recovery of amounts related to such matters; the effect of changes to accounting standards, rules and interpretations; changes in our estimates of reserves and allowances; changes in tax laws; changes to our credit ratings; political conditions and developments, including changes relating to economic or trade matters such as tariffs; the possible effect on our business of international conflicts, such as the war in Ukraine and conflict in the Middle East, and terrorism; natural disasters, disruptions to public infrastructure and other catastrophic events; the occurrence of public health emergencies and any related government policies and actions; reliance on third parties to provide components of our business infrastructure; potential disruptions to our information technology systems and services; increasing cyber security risks, which may include theft or disclosure of assets, unauthorized access to sensitive information, or operational disruption; social media risk; losses incurred as a result of internal or external fraud; anti-money laundering; the accuracy and completeness of information provided to us concerning clients and counterparties; the failure of third parties to comply with their obligations to us and our affiliates or associates; intensifying competition from established competitors and new entrants in the financial services industry, including through internet and mobile banking; technological change, including the use of data and artificial intelligence (AI) in our business; the heavy reliance on AI-related capital spending for U.S. growth and the uncertain employment impacts from its adoption; global capital market activity; changes in monetary and economic policy; general business and economic conditions worldwide, as well as in Canada, the U.S. and other countries where we have operations, including increasing Canadian household debt levels and global credit risks; climate change and other ESG-related risks, including our ability to implement various sustainability-related initiatives internally and with our clients under expected time frames and our ability to scale our sustainable finance products and services; our success in developing and introducing new products and services, expanding existing distribution channels, developing new distribution channels and realizing increased revenue from these channels; changes in client spending and saving habits; our ability to attract and retain key employees and executives; our ability to successfully execute our strategies and complete and integrate acquisitions and joint ventures; the risk that expected benefits of an acquisition, merger or divestiture will not be realized within the expected time frame or at all; and our ability to anticipate and manage the risks associated with these factors. This list is not exhaustive of the factors that may affect any of our forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on our forward-looking statements. Any forward-looking statements contained in this Annual Information Form represent the views of management only as of the date hereof and are presented for the purpose of assisting our shareholders and financial analysts in understanding our financial position, objectives and priorities and anticipated financial performance as at and for the periods ended on the dates presented, and may not be appropriate for other purposes. We do not undertake to update any forward-looking statement that is contained in this Annual Information Form or in other communications except as required by law.

CORPORATE STRUCTURE

Name, Address and Incorporation

Canadian Imperial Bank of Commerce (CIBC) is a diversified financial institution governed by the *Bank Act* (Canada), which constitutes its charter. CIBC was formed through the amalgamation of The Canadian Bank of Commerce and Imperial Bank of Canada in 1961. The Canadian Bank of Commerce was originally incorporated as Bank of Canada by special act of the legislature of the Province of Canada in 1858. Subsequently, the name was changed to The Canadian Bank of Commerce and it opened for business under that name in 1867. Imperial Bank of Canada was incorporated in 1875 by special act of the Parliament of Canada and commenced operations in that year. The address of the registered and head office of CIBC is 81 Bay Street, CIBC SQUARE, Toronto, Ontario, Canada, M5J 0E7.

Intercompany Relationships

Information about the intercompany relationships among CIBC and its significant subsidiaries is provided in Note 25 to the consolidated financial statements included in the 2025 Annual Report.

DESCRIPTION OF THE BUSINESS

The CIBC Organization

CIBC is a leading North American financial institution. CIBC serves its clients through four main strategic business units (SBUs): Canadian Personal and Business Banking, Canadian Commercial Banking and Wealth Management, U.S. Commercial Banking and Wealth Management, and Capital Markets.

Canadian Personal and Business Banking provides clients across Canada with financial solutions, services and advice through our dedicated team members in banking centres and contact centres, as well as leading mobile and online banking platforms to help make their ambitions a reality.

Canadian Commercial Banking and Wealth Management provides high-touch, relationship-oriented banking and wealth management services to middle-market companies, entrepreneurs, high-net-worth individuals and families across Canada. Our offering also includes an online brokerage platform for retail clients and asset management services for institutional investors.

U.S. Commercial Banking and Wealth Management provides tailored, relationship-oriented banking and wealth management solutions across the U.S., focusing on middle-market and mid-corporate companies, entrepreneurs, high-net-worth individuals and families, as well as operating private and small business banking services in strategic markets across the U.S.

Capital Markets provides integrated global markets products and services, investment banking and corporate banking solutions, and top-ranked research to our clients around the world. Leveraging the capabilities of our differentiated platform, Capital Markets also delivers multi-currency payments and innovative solutions for clients across our bank.

Corporate and Other includes the following functional groups – Technology, Infrastructure and Innovation, Risk Management, People, Culture and Brand, and Finance and Enterprise Strategy, as well as other support groups. The expenses of these functional and support groups are generally allocated to the business lines within the SBUs. Corporate and Other also includes the results of CIBC Caribbean Bank Limited and other portfolio investments, as well as other income statement and balance sheet items not directly attributable to the business lines. Information about CIBC's business lines and functional groups is provided in the 2025 Annual Report on pages 1 to 100.

A more complete description of services provided by Canadian Personal and Business Banking, Canadian Commercial Banking and Wealth Management, U.S. Commercial Banking and Wealth Management, and Capital Markets can be found in the 2025 Annual Report on pages 17 to 28.

External reporting changes were made in 2025, which affected the results of our SBUs. See the "External reporting changes" section in our 2025 Annual Report on page 2 for additional details.

Competitive Conditions

CIBC was the fifth largest Canadian chartered bank in terms of market capitalization as at October 31, 2025.

Growth decelerated in Canada in 2025 as the economy was hit by elevated tariffs in some sectors and uncertainty over trade relations with the U.S. Although population growth was slowing, weak hiring resulted in an upward drift in the unemployment rate. Inflation remained close to the Bank of Canada's 2% target rate, allowing the central bank to further lower its policy rate during the year to support growth ahead. Lower interest rates supported a strong year for equities and capital market activity, a mid-year upturn in housing starts, and moderate growth in mortgage and personal loans. Growth in business loans decelerated due to the impact of economic uncertainty on investment spending. The U.S. economy has remained stronger than Canada's helped by a boom in capital spending for artificial intelligence, but has been impacted by slowing population growth that has held back job creation. While core inflation has yet to come back to target, the central bank resumed cutting interest rates in the wake of a modest upturn in unemployment.

Environmental and Social Policies

Additional information about our environmental policies and environmental and social risk can be found under "Management of risk – Top and emerging risks – Climate risk" and "Management of risk – Other risks – Environmental and social risk" on page 50 and page 79, respectively, of the 2025 Annual Report. Furthermore, CIBC's Sustainability and Climate Reports and Public Accountability Statement summarize our commitment to our stakeholders and highlight the activities we are undertaking to achieve our sustainability ambitions.

These reports are available on our website at <https://www.cibc.com/en/about-cibc/corporate-responsibility.html>.

Risk Factors

A discussion of risk factors related to CIBC and its business, and the steps taken to manage those risks appears throughout the 2025 Annual Report and in particular under the heading "Management of risk" on pages 42 to 81.

GENERAL DEVELOPMENT OF THE BUSINESS

Three Year History

At CIBC, our goal is to deliver superior client experience and top-tier shareholder returns while maintaining our financial strength.

As discussed in the "Overview" section in the 2025 Annual Report, CIBC has reported a scorecard of financial measures to evaluate and report on our progress to external stakeholders. These measures, for which CIBC has set through the cycle targets, which we currently define as three to five years, assuming a normal business environment and credit cycle, can be categorized into four key areas:

1. Earnings Growth
 - Our target was an adjusted⁽¹⁾ diluted earnings per share (EPS) growth rate of 7% to 10% through the cycle. Going forward, we will continue to target an adjusted diluted EPS growth rate of 7% to 10% through the cycle.
2. Operating Leverage
 - Our target was to deliver positive adjusted operating leverage. Going forward, we will continue to target positive adjusted operating leverage through the cycle.
3. Shareholder Profitability and Return — Return on Common Shareholders' Equity (ROE) / Dividend Payout Ratio / Total Shareholder Return (TSR)
 - Our target was an adjusted ROE of 15%+. Going forward, we will continue to target adjusted ROE of 15%+ through the cycle.
 - Our target was an adjusted dividend payout ratio in the range of 40% to 50% of earnings to common shareholders. Going forward, we will continue to target an adjusted dividend payout ratio of 40% to 50% through the cycle.
 - We continue to have an objective to deliver a TSR that exceeds the industry average, which we have defined as the Standard & Poor's (S&P)/Toronto Stock Exchange (TSX) Composite Banks Index, over rolling three- and five-year periods.
4. Balance Sheet Strength
 - Our target was to actively manage our capital to maintain a strong and efficient capital base while supporting our business and returning capital to our shareholders. Going forward, we will continue to maintain a strong buffer to regulatory requirements.
 - The Liquidity Coverage Ratio (LCR) standard requires that, absent a situation of financial stress, the value of the ratio be no lower than 100%.

(1) Adjusted measures are non-GAAP measures. For additional information and a reconciliation of reported results to adjusted results, where applicable, see the "Non-GAAP measures" section starting on page 13 of the 2025 Annual Report, available on SEDAR+ at www.sedarplus.com.

Fiscal 2025 saw decelerating Canadian economic growth with higher unemployment, elevated tariffs in some sectors, and geopolitical pressures. This was offset by strong but volatile financial markets and stimulative monetary policy. In spite of these challenges, we delivered strong performance across all of our SBUs.

1. Earnings Growth

Reported diluted EPS was \$8.57 in 2025, compared with \$7.28 in 2024, up 18%. Reported diluted EPS was \$5.17 in 2023.

2. Operating Leverage

Reported operating leverage⁽¹⁾ was 4.0% in 2025, compared with 9.1% in 2024 and (5.2)% in 2023.

3. Shareholder Profitability and Return — Return on Common Shareholders' Equity / Dividend Payout Ratio / Total Shareholder Return

In 2025, reported ROE⁽¹⁾ of 14.3% was up from 13.4% in 2024. Reported ROE was 10.3% in 2023.

CIBC's 2025 reported dividend payout ratio⁽¹⁾ was 45.0%, compared with 49.4% in 2024. The reported dividend payout ratio was 66.5% in 2023.

CIBC's rolling TSR for the three years ended October 31, 2025 was 119.5%, compared with 73.7% for the S&P/TSX Composite Banks Index. For the five years ended October 31, 2025, our TSR was 199.8%, which was above the S&P/TSX Composite Banks Index of 159.1%.

4. Balance Sheet Strength

At the end of 2025, CIBC's Common Equity Tier 1 (CET1) ratio⁽²⁾ was 13.3%, compared with 13.3% in 2024 and 12.4% in 2023, well above the current regulatory requirement set by OSFI of 11.5%.

For the quarter ended October 31, 2025, our three-month daily average liquidity coverage ratio (LCR)⁽²⁾ was 132% compared to 129% for the same period last year. LCR⁽²⁾ was 135% in 2023. It measures unencumbered high-quality liquid assets (HQLA) that can be converted into cash to meet liquidity needs for a 30-calendar-day liquidity stress scenario.

DIVIDENDS

CIBC has a common share dividend policy of maintaining a balance between the distribution of profits to shareholders and the need to retain capital for safety and soundness, and to support growth of the businesses. In the context of this overall policy, CIBC's key criteria for considering dividend increases are the current payout ratio compared to the target, and its view on the sustainability of the level of current earnings through the cycle. Going forward, CIBC will continue to target an adjusted dividend payout ratio of 40% to 50%.

The cash dividends declared and paid per share for each class of CIBC shares and restrictions on the payment of dividends can be found on pages 155 to 157 of the 2025 Annual Report.

(1) Certain additional disclosures for these specified financial measures have been incorporated by reference and can be found in the "Financial Highlights" and "Glossary" sections on page 4 and page 94, respectively, of the 2025 Annual Report, available on SEDAR+ at www.sedarplus.com.

(2) CET1 and LCR are calculated pursuant to OSFI's Capital Adequacy Requirements (CAR) Guideline and OSFI's Liquidity Adequacy Requirements (LAR) Guideline, respectively, which are both based on the Basel Committee on Banking Supervision (BCBS) standards. Certain additional disclosures for these specified financial measures have been incorporated by reference and can be found in the "Capital management" and "Liquidity risk" sections on page 31 and page 70, respectively, of the 2025 Annual Report, available on SEDAR+ at www.sedarplus.com.

CAPITAL STRUCTURE

The following summary of CIBC's capital structure is qualified in its entirety by CIBC's by-laws and the actual terms and conditions of such shares. Additional detail on CIBC's capital structure is provided on pages 37 to 40 and pages 155 to 157 of the 2025 Annual Report.

Description of Common Shares

CIBC's authorized common share capital consists of an unlimited number of common shares without nominal or par value. The holders of common shares are entitled to receive dividends as and when declared by the Board of Directors of CIBC (the Board), subject to the preference of holders of preferred shares. A holder of common shares is entitled to notice of and to attend all shareholders' meetings, except meetings at which only holders of a specified class or series of shares are entitled to vote, and for all purposes will be entitled to one vote for each common share held. In the event of liquidation, dissolution or winding-up of CIBC, after payment of all outstanding deposits and debts and subject to the preference of any shares ranking senior to the common shares, the holders of common shares will be entitled to a *pro rata* distribution of the remaining assets of CIBC. The holders of common shares have no pre-emptive, subscription, redemption or conversion rights. The rights, preferences and privileges of the common shares are subject to the rights of the holders of preferred shares.

Description of Preferred Shares

CIBC is authorized to issue an unlimited number of Class A Preferred Shares and Class B Preferred Shares without nominal or par value, issuable in series, with such rights, privileges, restrictions and conditions as the Board may determine, provided that, for each class of preferred shares, the maximum aggregate consideration for all outstanding shares, at any time does not exceed \$10 billion. The following series of Class A Preferred Shares⁽¹⁾ are currently outstanding: Series 47, 54, 55, 56, 57, 58, 59, 60, 61, 62 and 63. No Class B Preferred Shares are currently outstanding.

(1) Non-cumulative 5-Year Fixed Rate Reset Class A Preferred Shares Series 54, 55, 58, 59, 60, 62 and 63 (NVCC) (Preferred Shares Series 54, 55, 58, 59, 60, 62 and 63) are held by a consolidated entity, CIBC LRCN Limited Recourse Trust (the Limited Recourse Trust).

The *Bank Act* (Canada) requires that banks maintain adequate capital in relation to their operations. The Superintendent of Financial Institutions (the Superintendent) establishes capital adequacy requirements for issuances of regulatory capital by banks. These requirements include that all regulatory capital must be able to absorb losses in a failed financial institution. Effective January 1, 2013, in accordance with capital adequacy requirements adopted by the Superintendent, non-common capital instruments issued after January 1, 2013, including preferred shares, must include non-viability contingent capital (NVCC) provisions, providing for the full and permanent automatic conversion (an NVCC Automatic Conversion) of such non-common capital instruments into common shares upon the occurrence of certain trigger events relating to financial viability (the NVCC Provisions) in order to qualify as regulatory capital.

The following describes certain general terms and conditions of the preferred shares.

Certain Conditions of the Class A Preferred Shares as a Class

The following is a summary of certain provisions attached to the Class A Preferred Shares as a class.

Priority

The Class A Preferred Shares of each series of Class A Preferred Shares rank on a parity with every other series of Class A Preferred Shares and rank in priority to the Class B Preferred Shares and the common shares of CIBC with respect to the payment of dividends and on the distribution of assets in the event of the liquidation, dissolution or winding-up of CIBC, provided that an NVCC Automatic Conversion as contemplated under the NVCC Provisions applicable to a series of Class A Preferred Shares has not occurred.

Restrictions on Creation of Additional Class A Preferred Shares

In addition to any shareholder approvals required by applicable law, the approval of the holders of the Class A Preferred Shares given in the manner described under "Modification" below, is required for any increase in the maximum aggregate consideration for which the Class A Preferred Shares may be issued and for the creation of any shares ranking prior to or on a parity with the Class A Preferred Shares.

Modification

Approval of amendments to the provisions of the Class A Preferred Shares as a class and any other authorization required to be given by the holders of Class A Preferred Shares may be given by a resolution carried by an affirmative vote of not less than 66^{2/3}% of the votes cast at a meeting at which the holders of 10% of the outstanding Class A Preferred Shares are present or represented by proxy or, if no quorum is present at such meeting, at an adjourned meeting at which the shareholders then present would form the necessary quorum.

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of CIBC, provided that an NVCC Automatic Conversion as contemplated under the NVCC Provisions applicable to a series of Class A Preferred Shares has not occurred, the holders of the Class A Preferred Shares will be entitled to receive an amount equal to the price at which such shares are issued together with such premium, if any, as shall have been provided for with respect to the Class A Preferred Shares of any series, together with all declared and unpaid dividends, before any amount is paid or any assets of CIBC are distributed to the holders of any shares ranking junior to the Class A Preferred Shares. Upon payment to the holders of the Class A Preferred Shares of the amounts so payable to them, they will not be entitled to share in any further distribution of the assets of CIBC. If an NVCC Automatic Conversion as contemplated under the NVCC Provisions applicable to a series of Class A Preferred Shares has occurred, all of the Class A Preferred Shares of such series shall have been converted into common shares of CIBC in accordance with a pre-determined conversion formula specified at the time of issuance of the Class A Preferred Shares of such series and will rank on parity with all other common shares of CIBC.

Voting Rights

Subject to the provisions of the *Bank Act* (Canada), the directors of CIBC are empowered to set voting rights, if any, for each series of Class A Preferred Shares.

Contingent Conversion of Certain Series of Class A Preferred Shares

All of CIBC's currently outstanding Class A Preferred Shares were issued after January 1, 2013 and, accordingly, contain NVCC Provisions in their respective share terms and conditions. The number of common shares into which such Class A Preferred Shares would be converted upon an NVCC Automatic Conversion will be determined in accordance with a pre-determined conversion formula specified at the time of issuance of such Class A Preferred Shares.

Description of Limited Recourse Capital Notes

CIBC has outstanding CAD\$750 million principal amount of 4.000% Limited Recourse Capital Notes Series 2 due January 28, 2082 (NVCC) (subordinated indebtedness), CAD\$800 million principal amount of 7.150% Limited Recourse Capital Notes Series 3 due July 28, 2082 (NVCC) (subordinated indebtedness), CAD\$500 million principal amount of 6.987% Limited Recourse Capital Notes Series 4 due July 28, 2084 (NVCC) (subordinated indebtedness), USD\$500 million principal amount of 6.950% Limited Recourse Capital Notes Series 5 due January 28, 2085 (NVCC) (subordinated indebtedness), CAD\$450 million principal amount of 6.369% Limited Recourse Capital Notes Series 6 due April 28, 2085 (NVCC) (subordinated indebtedness), USD\$750 million principal amount of 7.000% Limited Recourse Capital Notes Series 7 due October 28, 2085 (NVCC) (subordinated indebtedness) and CAD\$450 million principal amount of 5.898% Limited Recourse Capital Notes Series 8 due January 28, 2086 (NVCC) (subordinated indebtedness), collectively referred to as the "Notes", which are reported as equity on the consolidated balance sheet, and carry the standard NVCC provisions necessary for them to qualify as Tier 1 regulatory capital under Basel III.

The following describes certain general terms and conditions of the Notes.

Certain Conditions of the Limited Recourse Capital Notes

The following is a summary of certain provisions attached to the Notes.

Priority

The Notes are junior, subordinated, unsecured indebtedness of CIBC and will rank subordinate to all of CIBC's deposit liabilities and all other indebtedness (including all of CIBC's other unsecured and subordinated indebtedness) from time to time issued and outstanding, except for such indebtedness which by its terms ranks equally in right of payment with, or is subordinate to, the Notes.

Limited Recourse

In the event of a non-payment by CIBC of the principal amount of, interest on, or redemption price for, the Notes when due, the sole remedy of holders of the Notes shall be the delivery of the Preferred Shares Series 54, 55, 58, 59, 60, 62 and 63, which are held in the Limited Recourse Trust and carry the standard NVCC provisions as described above.

Voting Rights

None, other than in certain limited circumstances.

Bank Act (Canada) Restrictions Related to Share Ownership

The *Bank Act* (Canada) contains restrictions on the issue, transfer, acquisition, beneficial ownership and voting of all shares of a chartered bank. By way of summary, no person, or persons acting jointly or in concert, shall be a major shareholder of a bank if the bank has equity of \$12 billion or more (which would include CIBC). A person is a major shareholder of a bank where: (i) the aggregate of the shares of any class of voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person (as contemplated by the *Bank Act* (Canada)) is more than 20% of that class of voting shares; or (ii) the aggregate of the shares of any class of non-voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person (as contemplated by the *Bank Act* (Canada)) is more than 30% of that class of non-voting shares. No person, or persons acting jointly or in concert, shall have a significant interest in any class of shares of a bank, including CIBC, unless the person first receives the approval of the Minister of Finance (Canada). For purposes of the *Bank Act* (Canada), a person has a significant interest in a class of shares of a bank where the aggregate of any shares of the class beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person (as contemplated by the *Bank Act* (Canada)) exceeds 10% of all of the outstanding shares of that class of shares of such bank.

In addition, the *Bank Act* (Canada) prohibits a bank, including CIBC, from recording in its securities register the transfer or issuance of shares of any class to His Majesty in right of Canada or of a province, an agent or agency of His Majesty, a government of a foreign country or any political subdivision of a foreign country, or an agent or agency of a foreign government. The *Bank Act* (Canada) also suspends the exercise of any voting rights attached to any share of a bank, including CIBC, that is beneficially owned by His Majesty in right of Canada or of a province, an agency of His Majesty, a government of a foreign country or any political subdivision of a foreign country, or any agency thereof.

Liquidity and Credit Ratings

CIBC funds its operations with client-sourced deposits, supplemented with a wide range of wholesale funding.

CIBC's principal approach aims to fund its consolidated balance sheet with deposits primarily raised from personal and commercial banking channels. CIBC maintains a foundation of relationship-based core deposits, whose stability is regularly evaluated through internally developed statistical assessments.

We routinely access a range of short-term and long-term secured and unsecured funding sources diversified by geography, depositor type, instrument, currency and maturity. We raise long-term funding from existing programs including covered bonds, asset securitizations and unsecured debt.

Credit ratings assigned by external agencies impact CIBC's ability to raise capital and funding in wholesale markets and related borrowing costs. Adverse movements in CIBC's credit ratings could potentially result in higher financing costs, increased collateral pledging requirements and reduced access to capital markets. CIBC regularly reviews the impact of ratings downgrades and maintains liquidity buffers to ensure preparedness for continuity of operations under adverse conditions.

Additional information relating to CIBC's liquidity management and credit ratings is available on pages 70 to 77 of the 2025 Annual Report under the heading "Management of risk – Liquidity risk".

The table below provides the ratings for CIBC's Class A Preferred Shares, Limited Recourse Capital Notes and debt obligations as at December 3, 2025:

(3) Comprises liabilities which are subject to conversion under the bail-in regulations.

(4) Comprises instruments which are treated as NVCC in accordance with OSFI's CAR Guideline.

(5) Morningstar DBRS rating does not apply to limited recourse capital notes and associated preferred shares issued in USD. Fitch rating only applies to limited recourse capital notes and associated preferred shares issued in USD.

The ratings should not be construed as a recommendation to buy, sell or hold CIBC securities. Ratings may be revised or withdrawn at any time by the respective rating agencies.

Definitions of rating categories are available on the respective rating agencies' websites and are outlined in Appendix A. More detailed explanations of the various rating categories may be obtained directly from the rating agencies.

As is common practice, CIBC has paid fees charged by all four of the above-noted rating agencies for their rating services and, to certain of the rating agencies, for other services during the last two years. CIBC reasonably expects that such payments will continue to be made for services in the future.

EXPERTS

Ernst & Young LLP, Chartered Professional Accountants, Licensed Public Accountants, Toronto, Ontario, audited our Annual Consolidated Financial Statements, which comprise the consolidated balance sheets as of October 31, 2025 and October 31, 2024 and the related consolidated statements of income, comprehensive income, changes in equity, and cash flows for the years then ended, including the related notes and the effectiveness of our internal control over financial reporting as of October 31, 2025. Ernst & Young LLP is the independent public accountant with respect to the Bank within the context of the CPA Code of Professional Conduct of the Chartered Professional Accountants of Ontario and the rules and regulations adopted by the U.S. Securities and Exchange Commission (SEC) and the Public Company Accounting Oversight Board (United States).

AUDIT COMMITTEE

The Audit Committee Mandate as approved by the Board is included in Appendix B. The members of the Audit Committee are listed below. Each member of the Audit Committee is independent and financially literate as defined by Canadian securities laws. At least one member of the Audit Committee has been designated by the Board as an "audit committee financial expert" as defined by the rules of the SEC.

Education and Experience

This section describes the education and experience of CIBC's Audit Committee members that is relevant to the performance of their responsibilities.

Each member of the Audit Committee is currently, or has previously been, responsible for a significant business operation. This experience is often in the capacity of president, chief executive officer, chief financial officer, chief operating officer, or as an advisor or consultant. Given the breadth and complexity of a financial institution's accounting issues, the Audit Committee members participate from time to time in internal or external sessions related to accounting matters or developments. Travel and attendance costs are paid by CIBC. Further detail on the education and experience of each Audit Committee member is set out below.

Michelle L. Collins

Ms. Collins has been President of Cambium LLC since 2007. Cambium is a Chicago-based business and financial advisory firm that serves small and medium-sized businesses. PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee has adopted the CIBC Policy on the Scope of Services of the Shareholders' Auditor (the Scope of Services Policy) to provide a consistent approach for the engagement of the shareholders' auditor. The Scope of Services Policy requires that work performed by the shareholders' auditor for CIBC or its subsidiaries be pre-approved by the Audit Committee, along with the related fee for that work. The Audit Committee may establish pre-approval policies and procedures that are specific to a particular service. Under the Scope of Services Policy, the shareholders' auditor will only perform audit, audit-related and tax work, and other work if pre-approved by the Audit Committee. The Audit Committee may approve exceptions to the Scope of Services Policy if it determines that such an exception is in the overriding best interests of CIBC, and the exception does not impair the independence of the shareholders' auditor. However, certain non-audit activities set out in the Scope of Services Policy are generally prohibited and will not be considered for exception from the Policy. On a quarterly basis, the Audit Committee is presented with a summary report of all engagements of the shareholders' auditor that are currently underway or have been completed since the prior quarter's report, including engagements entered into pursuant to pre-approved limits. The summary report will describe the nature of each engagement, confirm that each engagement is in compliance with the Scope of Services Policy and state the fees received by the shareholders' auditor for each engagement. The Scope of Services Policy also sets out ongoing relationship standards and requires that the shareholders' auditor annually certify compliance with the Policy.

FEES FOR SERVICES PROVIDED BY SHAREHOLDERS' AUDITOR

The information on professional service fees paid to the shareholders' auditor is provided on page 93 of the 2025 Annual Report.

ADDITIONAL INFORMATION

Additional information with respect to CIBC, including directors' and officers' remuneration and indebtedness, principal holders of CIBC's securities and securities authorized for issuance under equity compensation plans, where applicable, is contained in CIBC's management proxy circular for its most recent annual meeting of shareholders that included in its proceedings the election of directors. Additional financial information is provided in the 2025 Annual Report. These documents, as well as additional information relating to CIBC, are available on SEDAR+ at www.sedarplus.com.

Appendix A Rating Definitions

Morningstar DBRS

Short-term debt

Rating: R-1 (high)

Short-term debt ratings provide an opinion on the risk that an issuer will not meet its short-term financial obligations in a timely manner. Short-term debt rated R-1 (high) is of the highest credit quality, indicative of an entity with an exceptionally high capacity to repay its short-term financial obligations. R-1 is the highest of six short-term debt rating categories. The R-1 and R-2 categories are further denoted with "high", "middle" and "low" subcategories.

Long-term issuer rating

Rating: AA

Senior debt⁽¹⁾

Rating: AA

Bail-in senior debt⁽²⁾

Rating: AA (low)

Long-term issuer and senior debt ratings provide an assessment of the risk that an issuer will not be able to meet its financial obligations in accordance with the terms under which an obligation has been issued. Credit ratings are based on quantitative and qualitative considerations relevant to the issuer, and the relative ranking of claims. Issuers and senior debt rated AA is ranked in the second highest of 10 categories. It is considered to be of superior credit quality, with capacity for payment considered to be high. The credit quality of issuers and obligations rated AA differs from the highest AAA category only to a small degree and is unlikely to be significantly susceptible to future events. The AA category is further denoted by the subcategories "high" and "low". The absence of a "high" or "low" indicates a rating in the middle of the category.

Subordinated indebtedness

Rating: A (high)

Subordinated indebtedness – NVCC

Rating: A (low)

Long-term debt rated A is ranked in the third highest of 10 categories. It is considered to be of good credit quality, with substantial capacity for payment. The A category is further denoted by the subcategories "high" and "low". The absence of a "high" or "low" indicates a rating in the middle of the category.

Limited recourse capital notes – NVCC

Rating: BBB (high)

Long-term debt rated BBB is ranked in the fourth highest of 10 categories. It is considered to be of adequate credit quality with acceptable capacity for payment. The BBB category is further denoted by the subcategories "high" and "low". The absence of a "high" or "low" indicates a rating in the middle of the category.

Preferred shares – NVCC

Rating: Pfd-2

Preferred share ratings provide an assessment of the risk that an issuer will not be able to meet its dividend and principal obligations in accordance with the terms under which the preferred shares have been issued. Preferred shares rated Pfd-2 are of good credit quality with substantial protection of dividends and principal. A Pfd-2 rating is the second highest of six categories for preferred shares. Each category is further denoted by the subcategories "high" and "low". The absence of a "high" or "low" indicates a rating in the middle of the category.

Fitch

Short-term debt

Rating: F1+

The F1 category is for obligations of the highest short-term credit quality and indicates the strongest intrinsic capacity to meet near-term obligations. The F1 rating is the highest of seven categories used for short-term debt; a "+" may be added to indicate very strong capacity to meet near-term obligations.

Derivative counterparty rating

Rating: AA

Senior debt⁽¹⁾

Rating: AA

Issuer default rating

Rating: AA-

Bail-in senior debt⁽²⁾

Rating: AA-

Derivative counterparty ratings reflect a bank's relative vulnerability to default, due to an inability to pay on any derivative contract with third-party, non-government counterparties. Ratings of individual securities or financial obligations of a corporate issuer address relative vulnerability to default on an ordinal scale. In addition, for financial obligations in corporate finance, a measure of recovery given default on that liability is also included in the rating assessment. Issuer default ratings (IDR) opine on an entity's relative vulnerability to default on financial obligations. The threshold default risk addressed by the IDR is generally that of the financial obligations whose non-payment would best reflect the uncured failure of that entity. AA is the second highest of 11 rating categories for long-term obligations and indicates an assessment of very low default risk. This rating indicates a very strong capacity for payment of financial commitments that is not significantly susceptible to foreseeable events.

Subordinated indebtedness

Rating: A

Subordinated indebtedness – NVCC

Rating: A

The A category is the third highest of the rating categories for long-term obligations and indicates an assessment of low default risk. The capacity for payment is considered strong but may be more susceptible to adverse business or economic conditions than that of higher rating categories.

Limited recourse capital notes – NVCC

Rating: BBB+

Preferred shares – NVCC

Rating: BBB+

The BBB category is the fourth highest of the rating categories for long-term obligations and indicates an assessment of low default risk. The capacity for payment is considered adequate but adverse business or economic conditions are more likely to impair the capacity for payment.

The designation "+" or "-" may be used to denote relative position within certain major long-term rating categories, while the absence of such a modifier indicates a rating in the middle of the category.

(1) Includes senior debt issued on or after September 23, 2018 which is not subject to bail-in regulations.

(2) Comprises liabilities that are subject to conversion under the bail-in regulations.

Moody's

Short-term debt

Rating: P-1

Short-term debt ratings are assessments of an issuer's ability to repay obligations with an original maturity of 13 months or less. Moody's has four categories of short-term ratings with the P-1 category being the highest credit quality. Borrowers rated P-1 have a superior ability to repay short-term debt obligations.

Counterparty risk rating

Rating: Aa2

Senior debt⁽¹⁾

Rating: Aa2

Counterparty risk ratings (CRR) are opinions of the ability of entities to honour their non-debt financial liabilities to unrelated counterparties such as derivatives and sale and repurchase transactions. CRRs also reflect the expected financial losses not covered by collateral, in the event such liabilities are not honoured.

Long-term debt ratings assess both the likelihood of default on contractual payments and the expected loss in the event of default on obligations with an original maturity of 11 months or more.

The Aa rating category is the second highest of nine categories and includes obligations judged to be high quality and subject to very low credit risk.

Bail-in senior debt⁽²⁾

Rating: A2

The A rating category is the third highest of nine categories and includes obligations judged to be upper medium grade and subject to low credit risk.

Subordinated indebtedness

Rating: Baa1

Subordinated indebtedness – NVCC

Rating: Baa1

Limited recourse capital notes – NVCC

Rating: Baa3

Preferred shares – NVCC

Rating: Baa3

The Baa rating category is the fourth highest of nine categories on the long-term rating scale and includes obligations judged to be medium grade and subject to moderate credit risk and as such may possess certain speculative characteristics.

The modifiers 1, 2 and 3 are used with certain long-term rating categories to indicate that an obligation ranks in the higher, middle or lower range of the rating category respectively.

S&P

Short-term debt

Rating: A-1

The A-1 category is the highest of six categories used by S&P for short-term debt. An obligation rated A-1 indicates that the borrower's capacity to meet its financial commitment with respect to the obligation is strong.

Issuer credit rating

Rating: A+

Senior debt⁽¹⁾

Rating: A+

Bail-in senior debt⁽²⁾

Rating: A-

Subordinated indebtedness

Rating: A-

Issuer credit ratings are a forward-looking opinion about an obligor's overall creditworthiness. This opinion focuses on the obligor's capacity and willingness to meet its financial commitments as they come due. It does not apply to any specific financial obligation, as it does not take into account the nature of and provisions of the obligation, its standing in bankruptcy or liquidation, statutory preferences, or the legality and enforceability of the obligation. Issue or debt ratings are a forward-looking opinion about the creditworthiness of an obligor with respect to a specific financial obligation, a specific class of financial obligations, or a specific financial program (including ratings on medium-term note programs and commercial paper programs). It takes into consideration the creditworthiness of guarantors, insurers, or other forms of credit enhancement on the obligation and takes into account the currency in which the obligation is denominated.

The A rating category is the third highest of 10 categories used by S&P for long-term debt obligations. Although the obligor's ability to meet its financial commitment is strong, obligations rated A are somewhat more vulnerable to the negative effects of changes in circumstances and economic conditions when compared to obligations in higher rating categories.

Subordinated indebtedness – NVCC

Rating: BBB+

Limited recourse capital notes – NVCC

Rating: BBB-

The BBB rating category is the fourth highest of 10 categories used by S&P for long-term debt obligations. The obligor's ability to meet its financial commitment is adequate, however, adverse economic conditions or changes in circumstances are more likely to lead to a weakening of this capacity.

A "+" or "-" may be used to denote the relative standing of a rating within each category.

Preferred shares – NVCC (Canadian Preferred Share Scale)

Rating: P-2 (low)

P-2 is the second highest of the eight categories used by S&P in its Canadian Preferred Share Scale, which is a forward-looking opinion about the creditworthiness of the issuer with respect to a specific preferred share obligation issued in Canada. A "high" or "low" modifier may be used to indicate the relative standing of a credit within a particular rating category, while the absence of such a modifier indicates a rating in the middle of the category.

(1) Includes senior debt issued on or after September 23, 2018 which is not subject to bail-in regulations.

(2) Comprises liabilities that are subject to conversion under the bail-in regulations.

Audit Committee Mandate

1. Purpose

- (1) The primary functions of the Audit Committee (the “Committee”) are to: (i) fulfill its responsibilities for reviewing the integrity of CIBC's financial statements and related management's discussion and analysis (MD&A); (ii) monitor the system of internal control, including internal control over financial reporting; (iii) monitor CIBC's compliance with legal and regulatory requirements; (iv) select the external auditors for shareholder approval; (v) review the qualifications, independence and audit quality of the external auditor; (vi) oversee the performance of the internal audit function; (vii) oversee the processes and controls around Environmental, Social and Governance (ESG) disclosures in the Annual Report, Sustainability Report, Climate Report and other material ESG disclosure documents; and (viii) act as the audit committee for certain federally regulated subsidiaries.

2. Responsibilities

(1) Financial Reporting

The Committee will be responsible for overseeing senior management concerning the establishment and maintenance of a system of processes and controls to ensure the integrity, accuracy and reliability of financial information. The Committee will review and recommend Board approval of:

- (a) the annual audited consolidated financial statements of CIBC, the related MD&A and the external auditors' report on the consolidated financial statements;
- (b) the interim consolidated financial statements of CIBC, the related MD&A and the external auditors' review report on the interim consolidated financial statements; and
- (c) the Annual Information Form of CIBC, the Form 40-F of CIBC, and financial disclosure in a news release disclosing financial results.

The Committee will review other material financial disclosures that are required by law to be reviewed by the Audit Committee, including those that are requested by regulators, and will periodically review select information provided to rating agencies and analysts relating to earnings guidance.

(2) Review Considerations

In conducting its review of the annual consolidated financial statements or the interim consolidated financial statements, and the related MD&A, the Committee will:

- (a) meet with management and the external auditors to discuss the financial statements and MD&A;
- (b) review the disclosures in the financial statements and the MD&A and satisfy itself that the financial statements, present fairly, in all material respects in accordance with International Financial Reporting Standards (IFRS), the financial position, results of operations and cash flows of CIBC;
- (c) review the reports prepared by the external auditors for the Committee summarizing their key findings and required communications in respect of the annual audit and the interim reviews;
- (d) discuss with management, the external auditors and internal legal counsel, as requested, any litigation claim or other contingency that could have a material effect on the financial statements;
- (e) review key areas of risk for material misstatement of the financial statements including critical accounting policies, models and estimates and other areas of measurement uncertainty or judgment underlying the financial statements and the MD&A as presented by management;
- (f) review areas of significant auditor judgment as it relates to their evaluation of accounting policies, accounting estimates and financial statement disclosures; discuss and review estimates with management and the external auditor, whether the external auditor considers estimates/models to be within an acceptable range and in accordance with IFRS;
- (g) review any material effects of regulatory and accounting changes, significant or unusual transactions, and the impact of material subsequent events between the reporting date and the approval date of the financial statements and the MD&A as presented by management;
- (h) review management and external auditor reports on the effectiveness of internal control over financial reporting;
- (i) review correspondence between the external auditor and management related to any substantive matters in the external auditors' findings and any difficult or contentious matters noted by the external auditor;
- (j) review results of CIBC's whistleblowing program; and
- (k) review any other matters related to the financial statements and the MD&A that are brought forward by the internal auditors, external auditors, management or which are required to be communicated to the Committee under auditing standards or applicable law.

(3) External Auditors

- (a) **General** — The Committee will be responsible for overseeing the work of the external auditors in auditing and reviewing CIBC's financial statements and internal control over financial reporting.
- (b) **Appointment and Compensation** — The Committee will recommend the appointment of the external auditors for shareholder approval, recommend the audit fee for Board approval, approve the annual audit engagement letter and any change in lead audit engagement partner.

The Committee will satisfy itself that the level of the audit fees are commensurate with the scope of work undertaken and conducive to a quality audit. The Committee will also assess whether any proposed change to the external auditor's materiality level and/or scope continues to ensure a quality audit.

- (c) **Audit Plan** — At least annually, and as required, the Committee will review and approve the external auditors' scope, terms of engagement and annual audit plan to ensure that it is risk based and addresses all relevant activities. The Committee will review any material changes to the scope of the plan and the coordination of work between the internal and external auditors.
- (d) **Independence of External Auditors** — At least annually, and before the external auditors issue their report on the annual financial statements, the Committee will review a formal written statement from the external auditors confirming their objectivity and independence, including their compliance with audit partner rotation requirements, and delineating all relationships between the external auditors and CIBC consistent with the rules of professional conduct adopted by the provincial institute or order of chartered professional accountants to which they belong or other regulatory bodies, as applicable. The Committee will also ensure that any concern raised by regulators or other stakeholders about the external auditors' independence are appropriately reviewed and addressed.
- (e) **Annual and Periodic Comprehensive Review of External Auditors** — At least annually, the Committee will assess the qualifications, independence, application of professional skepticism and audit quality of the external auditors. The Committee will review a report by the external auditors describing: (i) their internal quality control procedures; and (ii) any material issues raised by their most recent internal quality control review or peer review of the external auditors, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the external auditors and any steps taken to deal with any findings. The Committee will also review additional reports or communications of the external auditors as required by the Canadian Public Accountability Board, Office of the Superintendent of Financial Institutions, and the Public Company Accounting Oversight Board (United States). At least every five years, the Committee will conduct a periodic comprehensive review of the external auditors.
- (f) **Pre-Approval of Audit and Non-Audit Services** — The Committee will pre-approve any retainer of the external auditors for any audit and non-audit service to CIBC or its subsidiaries in accordance with law and Board approved policies and procedures. The Chair of the Committee may pre-approve on behalf of the Committee and may delegate pre-approval authority to a member of the Committee. The Committee may also establish pre-approval policies and procedures that are specific to a particular service and will review these policies or procedures annually to verify they continue to be appropriate. The decisions of any member of the Committee to whom this authority has been delegated, as well as any pre-approvals of a particular service must be presented to the full Committee for ratification at its next scheduled Committee meeting.
- (g) **Hiring Practices** — The Committee will review and approve policies regarding the hiring of partners, employees or former employees of the current or former external auditors.

(4) Oversight of Internal Audit Function

The Committee will be responsible for overseeing the performance of the Internal Audit function, and ensuring that the Bank maintains, at all times, a qualified Chief Auditor, vested with sufficient independence, authority, stature, and resources to fulfill the duties and responsibilities of the position.

- (a) **Organizational Framework** — At least annually, the Committee will review and approve the Internal Audit Charter, including the organizational framework having regard to its role as an independent control function.
- (b) **Chief Auditor** — The Chief Auditor will have unfettered access to the Committee. Further, the Committee will:
 - (i) review and recommend for Board approval their appointment or removal;
 - (ii) annually review and recommend for Board approval their succession plan;
 - (iii) annually review their goals and provide input on their performance assessment which is factored into compensation; and
 - (iv) annually review and approve their mandate.
- (c) **Effectiveness Review** — At least annually, the Committee will:
 - (i) review and recommend Board approval of the Internal Audit function's financial plan and staff resources;
 - (ii) review the Internal Audit function's self-assessment of the independence and effectiveness of the Internal Audit function; and
 - (iii) review the compliance of Internal Audit with professional standards.

On a periodic basis, the Committee will engage an independent third party to assess the Internal Audit function in accordance with professional standards and the Committee will review the results of that assessment.

- (d) **Audit Plan and Financial Plan** — At least annually, the Committee will review and approve the audit plan including the audit scope and the overall risk assessment methodology presented by the Chief Auditor to ensure that it is risk-based and addresses all relevant activities over a measurable cycle. On a quarterly basis, the Committee will review with the Chief Auditor the status of the audit plan and financial plan, and any changes needed, including a review of:
 - (i) the results of audit activities, including any significant issues reported to management and management's response and/or corrective actions and themes;
 - (ii) the status of identified control weaknesses;
 - (iii) the overall design and operating effectiveness of the system of internal control, risk management, governance systems and processes;
 - (iv) any potential impairments to independence;

- (v) results from the quality assurance and improvement program; and
- (vi) any difficulties or disagreements with management or other stakeholders encountered by the Chief Auditor in the course of internal audits.

At least annually, the Committee will review a report from the Chief Auditor with Internal Audit's assessment of the oversight by Finance and Risk Management.

(5) Oversight of Finance Function

- (a) **Organizational Framework** — At least annually, the Committee will review and approve the Finance organizational framework, having regard to its role as an independent control function.
- (b) **Chief Financial Officer** — The Chief Financial Officer (CFO) will have unfettered access to the Committee. The Committee will ensure that the Bank maintains, at all times, a qualified CFO, vested with sufficient independence, authority, stature, and resources to fulfill the duties and responsibilities of the position. Further, the Committee will:
 - (i) review and recommend for Board approval their appointment or removal;
 - (ii) annually review their succession plan;
 - (iii) annually review their goals and provide input on their performance assessment which is factored into compensation; and
 - (iv) annually review and approve their mandate.
- (c) **Effectiveness Review** — At least annually, the Committee will:
 - (i) review and recommend Board approval of the Finance function's financial plan and staff resources; and
 - (ii) review management's assessment of the effectiveness of the Finance function.

On a periodic basis, the Committee will engage an independent third party to assess the Finance function.

(6) Internal Control

- (a) **General** — The Committee will monitor the system of internal control and ensure that senior management establishes and maintains adequate and effective internal control systems and processes, including systems and processes that are designed to detect and prevent fraud.
- (b) **Establishment, Review and Approval** — The Committee will require management to implement and maintain appropriate policies and systems of internal control in accordance with applicable laws, regulations and guidance, including internal control over financial reporting and disclosure and to review, evaluate and approve these policies and systems of internal control. The Committee will review management's annual report on internal control over financial reporting and the external auditors' report on internal control over financial reporting. As part of this review at least annually, the Committee will consider and review the following with management, the external auditors and the Chief Auditor, as appropriate:
 - (i) the effectiveness of, or weaknesses or deficiencies in: the design or operation of CIBC's internal controls; the overall control environment for managing the reliability of reporting, compliance with regulatory requirements and operating effectiveness, and the impact of any identified weaknesses in internal controls on management's conclusions;
 - (ii) any significant changes in internal control over financial reporting that are disclosed, or considered for disclosure;
 - (iii) any material issues raised by any inquiry or investigation by CIBC's regulators as they pertain to responsibilities under this mandate;
 - (iv) CIBC's fraud prevention and detection program (including anti-bribery and anti-corruption), including deficiencies in internal controls that may impact the integrity of financial information, or may expose CIBC to other significant internal or external fraud losses and the extent of those losses and any disciplinary action in respect of fraud taken against management or other employees who have a significant role in financial reporting;
 - (v) any related significant issues and recommendations of the external auditors and internal auditors together with management's responses thereto; and
 - (vi) consideration of matters that may be jointly addressed with other committees of the Board.

- (7) **Certain Federally Regulated Subsidiaries** — The Committee will be the audit committee for certain federally regulated subsidiaries of CIBC that require an audit committee under applicable law.
- (8) **Regulatory Reports and Returns** — The Committee will provide or review, as applicable, all reports and returns required of the Committee under applicable law.
- (9) **Compliance with Legal and Regulatory Requirements** — The Committee will review reports from management, the external auditor and the Chief Auditor on the assessment of compliance with applicable laws as they pertain to responsibilities under this mandate, and management's plans to remediate any deficiencies identified. The Committee will report any material findings to the Board and recommend changes it considers appropriate.
- (10) **Whistleblowing Procedures** — The Committee will ensure that procedures are established for the receipt, retention and treatment of complaints received by CIBC from employees or others, confidentially and anonymously, regarding accounting, internal accounting controls, auditing matters and other wrongdoing as defined in the Whistleblower Policy. The Committee will review management reports on the procedures.
- (11) **Adverse Investments and Transactions** — The Committee will review any investments and transactions that could adversely affect the well-being of CIBC.

- (12) **Committee Disclosure** — The Committee will review and approve any audit committee disclosures required by securities regulators in CIBC's disclosure documents.
- (13) **Environmental, Social and Governance** — The Committee will oversee the establishment and maintenance by management of a system of processes and controls to ensure the integrity, accuracy and reliability of ESG disclosures in the Annual Report, Sustainability Report, Climate Report, and other material ESG disclosure documents.

3. Membership

- (1) **Number** — The Committee will consist of at least three Board members.
- (2) **Appointment or Removal of Members** — The Board will appoint Committee members annually until the member's resignation, disqualification or removal from the Committee or the Board. The Board may fill a vacancy in Committee membership.
- (3) **Chair** — The Board will appoint a Committee Chair from among the Committee members to preside over meetings; coordinate fulfilment of the Committee's mandate; and oversee development of meeting agendas and workplans. The Chair may vote on any matter requiring a vote but does not have a second vote in the case of a tie. If the Chair is not available for a Committee meeting, Committee members may appoint a Chair from among the members who are present.
- (4) **Qualifications** — Each Committee member will meet the independence standards approved by the Board. No Committee member may be an officer or employee of the Bank or of an affiliate of the Bank. Committee membership will reflect a balance of experience and expertise required to fulfill the Committee's mandate, notably relevant financial industry and risk management expertise.
- Each Committee member will be financially literate or become financially literate within a reasonable period after appointment to the Committee. At least one member will be an "audit committee financial expert" in accordance with legal requirements.
- (5) **Service on Multiple Audit Committees** — No member of the Audit Committee may serve on the audit committees of more than two other public companies, unless the Board determines that this simultaneous service would not impair the ability of the member to effectively serve on the Audit Committee.

4. Meetings

- (1) **Meetings** — The Committee will hold at least four meetings annually and any other meetings as required to fulfill its mandate. Meetings may be called by the Committee Chair or a Committee member, the Chair of the Board, external auditors, Chief Auditor, Chief Financial Officer or the Chief Executive Officer. The external auditors are entitled to attend and be heard at each Committee meeting. CIBC management members and others may attend meetings as the Committee Chair considers appropriate.
- (2) **Notice of Meeting** — Notice of a meeting may be given in writing or by telephone or electronic means, at least 24 hours before the time fixed for the meeting, at the member's contact information recorded with the Corporate Secretary. A member may waive notice of a meeting in any manner and attendance at a meeting is waiver of notice of the meeting, except where a member attends for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.
- (3) **Written Resolution** — A resolution in writing signed by all members entitled to vote on that resolution at a Committee meeting will be as valid as if it had been passed at a Committee meeting.
- (4) **Secretary and Minutes** — The Corporate Secretary or any other person the Committee requests, will act as secretary at Committee meetings. The Corporate Secretary will record meeting minutes for Committee approval.
- (5) **Quorum** — A quorum for meetings is a majority of Committee members. If a quorum cannot be obtained, Board members who qualify as Committee members may, at the request of the Committee Chair, serve as Committee members for that meeting.
- (6) **Access to Management and Outside Advisors** — The Committee will have unrestricted access to the external auditors, management and employees of CIBC and authority to retain and terminate external counsel and other advisors to assist it in fulfilling its responsibilities. CIBC will provide funding, as determined by the Committee, for the service of an advisor. The Committee will be responsible for the appointment, compensation and oversight of an advisor. The Committee will hold portions of regularly scheduled meetings to meet separately with the Chief Auditor, the Chief Financial Officer and the external auditors.
- (7) **Meetings Without Management** — The Committee will hold portions of regularly scheduled meetings to meet without management members present.
- (8) **Access to Other Committees** — The Committee Chair or a member may request input of another Board committee on any responsibility in the Committee's mandate. The Committee may also invite other directors to attend Committee meetings to leverage their skills, such as risk or compensation expertise, to support the Committee in carrying out its mandate.
- (9) **Delegation** — The Committee may designate a sub-committee to review any matter within the Committee's mandate.

5. Reporting to the Board

The Committee Chair will report to the Board on recommendations and material matters arising at Committee meetings and any significant matters that arise between Board meetings.

6. Committee Member Development and Performance Review

The Committee Chair will co-ordinate orientation and continuing director development programs, as needed, relating to the Committee's mandate. At least annually, the Committee will evaluate and review its performance and the adequacy of the Committee's mandate.

7. Currency of the Committee Mandate

This mandate was last revised and approved by the Board on June 5, 2025.
