- <sup>7</sup> CIBC Aeroplan Visa Infinite Privilege Card primary cardholders will receive one (1) Annual Worldwide Companion Pass after spending at least \$25,000 in eligible net Purchases (which excludes any returns and credits, Cash Advances, Balance Transfers, Convenience Cheques, fees, interest and payments) charged to the CIBC Aeroplan Visa Infinite Privilege Card account within an account year (being each consecutive 12-month period following the CIBC Aeroplan Visa Infinite Privilege Card account open date). The Companion Pass will be deposited into the Aeroplan account up to 8-10 weeks following the account year. The Companion Pass entitles a companion to accompany the primary cardholder for a fixed base fare (plus taxes, fees, charges and surcharges), when the primary cardholder books a published economy fare on a flight marketed and operated by Air Canada, Air Canada Rouge or under the Air Canada Express brand. Companion Passes are valid for 12 months from the date issued. The Companion Pass is valid towards a new booking only, and not valid on existing reservations. Bookings must be made directly with Air Canada, via [aircanada.com](http://aircanada.com), the Air Canada Mobile App, or through the Air Canada call centre ("Air Canada Reservations"). Valid for one round-trip for a companion when travelling on the same itinerary and booked at the same time as primary cardholder. Maximum one Companion Pass may be used per booking. If one-way travel is booked, the full base fare will be charged, the Companion Pass will be deemed fully used and the return portion of travel is forfeited. Total pricing varies based on itinerary booked. Primary cardholder may use the Companion Pass only once on their choice of travel (i) within Canada and continental United States (excluding Hawaii) for \$99 CAD base fare (ii) to/from Hawaii, Mexico, Central America, and the

Caribbean for \$299 CAD base fare, (iii) to/from South America, Europe, Middle East, and Africa for \$499 CAD base fare and (iv) to/from Asia, Australia, and New Zealand for \$599 CAD base fare. Companion will be responsible to pay all applicable taxes, fees, charges and surcharges that apply above the companion's base fare. All travel must originate or terminate in Canada or the United States. Valid for travel at any time with no blackout periods. Also valid against the purchase of fares on sale. Companion will be booked into same fare brand as primary cardholder and will receive all applicable benefits and services associated with that fare brand. The Companion Pass may not be used with premium cabin fares, or in conjunction with Aeroplan flight rewards, Flight Pass, group travel bookings, Air Canada Vacations bookings, or any other discounts or promotion codes. The Companion Pass must be redeemed at time of purchase, and if multiple Companion Passes are available for the Aeroplan number, the Companion Pass that would expire first will be used. Booking must be made before the Companion Pass expiry date; travel may occur after the Companion Pass expiry date subject to flight schedule availability at the time of booking. Companion Pass may only be used as described, cannot be transferred and has no monetary or exchange value. Changes or cancellations are allowed according to the fare rules of the fare purchased. Changes and cancellations must be made at the same time for both guests, and failure to do so may result in a forfeit of the Companion Pass. If during a change or cancellation the Companion Pass is reinstated in the primary cardholder's account, the original expiry date will take effect and the Companion Pass may then be considered expired. In the event of a change or cancellation, travellers are required to pay all applicable fees based on the fare type purchased for each ticket, plus the difference in fare, if applicable, and all applicable taxes, fees, charges and surcharges that apply above the base fare. Companions who are members of Aeroplan or other partner frequent flyer programs are eligible to accumulate points and/or miles for the ticket issued in exchange for the Companion Pass according to conditions of the fare brand purchased. Aeroplan Elite Status benefits and upgrades are applicable if the traveller holds appropriate status and the fare purchased allows. Air Canada reserves the right to apply additional fees for bookings made via Air Canada Reservations. <sup>8</sup> Insurance coverage(s) included with CIBC credit cards are underwritten by **Royal & Sun Alliance Insurance Company of Canada**. You may contact the insurer at 1 866 363-3338 in Canada and the U.S. or collect from elsewhere at 905 403-3338 or visit [cibccentre.sragroup.ca](http://cibccentre.sragroup.ca). Different cards will have different coverage(s). To learn about which coverage(s) are included with a specific card, and important information regarding coverage eligibility requirements, benefits, limitations and exclusions, see [cibc.com/ca/credit-card/agreements-insurance.html](http://cibc.com/ca/credit-card/agreements-insurance.html) and the insurance certificate(s) in your card package. Some insurance coverage(s) require purchase(s), auto rentals, common carrier fares, accommodations and other trip costs to be charged to the card to activate coverage. Other conditions may also apply. Car Rental Collision/Loss Damage Insurance (CLDI) is available for a rental period of up to 48 days for rental cars with an MSRP of up to \$85,000 CAD. The full cost of the rental must be charged to the card and the rental agency's Collision Damage Waiver (CDW) or Loss Damage Waiver (LDW) must be declined. CLDI provides coverage up to the actual cash value (ACV) of the rental vehicle as defined in your insurance certificate. Note that some rental agencies may assess their damages at an amount greater than the ACV of the rental vehicle and you may be liable to them for the difference. Before declining the rental agency's CDW or LDW, you should read carefully and compare the terms of the rental agreement, the CLDI insurance certificate in your card package and any other insurance you own to decide which coverage best meets your protection needs. Out-of-Province Emergency Travel Medical Insurance (TMI) covers the primary cardholder, their spouse, dependent children and an authorized user for the first 31 days of a trip if the insured person is age 64 or under, or for the first 10 days of a trip if the insured person is age 65 or older (dependent children must be at least 15 days old and under 21 years of age or under 25 years of age if a full-time student, unless they have a permanent physical or mental impairment). TMI may not cover medical procedures performed without pre-approval. TMI, Trip Cancellation and Trip Interruption Insurance may not cover certain pre-existing health/medical conditions. Certain coverages are "excess insurance" (all other sources of insurance and recovery must be exhausted before coverage is available).

<sup>9</sup> For every \$5,000 in eligible net Purchases (which excludes any returns and credits, Cash Advances, CIBC Global Money Transfers, Balance Transfers, Convenience Cheques, fees, interest and payments) charged to your CIBC Aeroplan Visa Infinite Privilege Card account, primary cardholders will receive 1,000 Status Qualifying Miles ("SQM") and 1 Status Qualifying Segment ("SQS"), to be deposited in their Aeroplan account at the end of the next CIBC Aeroplan credit card account billing period. Please allow up to 3 calendar days after your CIBC Aeroplan credit card account statement date for the deposit to appear. SQM and SQS are not redeemable towards Aeroplan Rewards and only count toward Aeroplan Elite Status qualification. SQM do not count towards Million Mile Status. Authorized users are not eligible to receive SQM or SQS through this benefit; however, all eligible spend by authorized users will count towards the primary cardholder's spend. Primary cardholders may earn unlimited bonus SQM and SQS during an Aeroplan Elite Status qualification period. All Aeroplan Elite Status Conditions apply and can be reviewed at [aircanada.com/elite-termsandconditions](http://aircanada.com/elite-termsandconditions).

<sup>10</sup> The goods and services you request or obtain through the Visa Infinite Privilege Concierge are provided by various third-party service providers unrelated to Visa. Neither Visa nor CIBC endorses, reviews, qualifies, makes any representations or warranties (either express or implied) about, or assumes responsibility or liability for these service providers or the goods and services obtained. Neither Visa nor CIBC can guarantee

the successful fulfillment of your requests in all instances. There is no fee for the Visa Infinite Privilege Concierge's services; however, you are responsible for the cost of any goods or services (including any related fees or costs) authorized by you and purchased by the Visa Infinite Privilege Concierge on your behalf. All costs will be charged directly to your CIBC Aeroplan Visa Infinite Privilege Card.

- <sup>11</sup> Aeroplan points will be earned on card purchases less returns, and not on cash advances, CIBC Global Money Transfers, interest, fees, balance transfers, payments or Convenience Cheques. Earn bonus rate of 1.5 Aeroplan points on each \$1.00 in purchases (net of and/or less returns) at merchants that are classified in the Visa network as grocery stores, service stations/automated gas dispensers, airlines, car rental agencies, travel agencies/ tour operators, hotels, cruise lines, tour buses/bus lines, local/suburban commuter passenger transportation, ferries, local water transportation, railways, limousines/cabs and certain other transportation services or dining. Earn bonus rate of 2 Aeroplan points on each \$1.00 in purchases (net of and/or less returns) made directly from Air Canada, for products and services completed online at [aircanada.com](http://aircanada.com), in-person at an Air Canada customer service counter at the airport or aboard an Air Canada flight and Air Canada Vacations packages. Excluded from the bonus rate are car rentals, hotel bookings, and other third party partner products and services that can be purchased through [aircanada.com](http://aircanada.com). Bonus rate of 2 Aeroplan points per \$1 spent on Air Canada purchases made directly through an Air Canada channel will not earn bonus rate of 1.5 Aeroplan points for travel purchases. Bonus Aeroplan points offer is only available on the first \$100,000 in net annual card purchases on your account (meaning all purchases by all cardholders, at any type of merchant); after which, Aeroplan points are earned at the regular rate on net purchases. The \$100,000 limit will reset to zero on the day after your December statement is printed. Terms, conditions and eligible merchant categories may change at any time without notice. Aeroplan points will be awarded only if your CIBC Aeroplan Visa Infinite Privilege Card account is in Good Standing on each monthly statement date (otherwise Aeroplan points earned in the monthly period are cancelled). Aeroplan partners, rules and regulations are subject to change; refer to [aircanada.com/aeroplan](http://aircanada.com/aeroplan).
- <sup>12</sup> CIBC is not responsible for any Aeroplan points earned under this "earn points twice" feature of the Aeroplan program when the Aeroplan number is provided. Visit [aircanada.com/aeroplan-termsandconditions](http://aircanada.com/aeroplan-termsandconditions) for the full terms and conditions of the Aeroplan program.
- <sup>13</sup> When you keep your CIBC Aeroplan Credit Card in Good Standing, your Aeroplan account automatically stays active and your points will not expire. For more information on Aeroplan's inactivity policy, please visit [aircanada.com/aeroplan-inactivitypolicy](http://aircanada.com/aeroplan-inactivitypolicy) for more details.
- <sup>14</sup> CIBC Aeroplan Visa Infinite Privilege Card primary cardholders who also hold Aeroplan Elite Status will be able to roll over up to a maximum of 200,000 Status Qualifying Miles ("SQM") from the prior qualification year to the next qualification year. This benefit applies when the member qualified for Aeroplan Elite Status by earning the required SQM or Status Qualifying Segments ("SQS"), as well as the required Status Qualifying Dollars ("SQD"), in the prior qualification year. If the member has been granted complimentary status, as determined by Air Canada, that is higher than the status they would have earned via their Status Qualifying balances, the rollover amount will be based on the status they would have earned otherwise (if any), and not the granted status. SQM rolled over from the previous qualifying year will apply towards status qualification for the following qualifying year. Rollover SQM will be deposited directly into the member's Aeroplan account no later than March 30 of any given year, provided the member earned at least Aeroplan 25K Status based on their Status Qualifying balances from the prior qualifying year. Rollover does not apply to SQS or SQD. Benefit is only available to primary cardholders and does not apply to authorized users. If your CIBC Aeroplan credit card account is not in Good Standing, or if it is closed, regardless of reason for closure, or if the CIBC Aeroplan credit card product is changed to a different product, any SQM rolled over as a result of this benefit will be removed from the Aeroplan account, and any status earned as a result of these rolled-over SQM may also be rescinded. SQM do not count towards Million Mile Status and are not redeemable towards Aeroplan Rewards. Where a primary cardholder is eligible to roll over SQM under another Aeroplan credit card, the total cumulative rollover of all SQM towards Aeroplan Elite Status cannot exceed the maximum of 200,000 SQM. All Aeroplan Elite Status Conditions apply and can be reviewed at [aircanada.com/elite-termsandconditions](http://aircanada.com/elite-termsandconditions).
- <sup>15</sup> CIBC Aeroplan Visa Infinite Privilege Card primary cardholders who also hold Aeroplan Elite Status will be able to roll over up to a maximum of 50 eUpgrade Credits received in the prior status year to the next benefit year. eUpgrade Credits issued on a promotional basis, as well as those already rolled over from a previous benefit year, are not eligible for this benefit. Rollover eUpgrade Credits will be deposited directly into the member's Aeroplan account no later than March 30 of any given year, provided the member holds Aeroplan Elite Status at that time, and held Aeroplan Elite Status in the previous benefit year. If your CIBC Aeroplan credit card account is not in Good Standing, or if it is closed, regardless of reason for closure, or if the CIBC Aeroplan credit card product is changed to a different product, any unused, rolled-over eUpgrade Credits will be forfeited and removed from the member's eUpgrade account. Benefit is only available to primary cardholders and does not apply to authorized users. Where a primary cardholder is eligible to roll over eUpgrade Credits under another Aeroplan credit card, the total cumulative rollover of all eUpgrade Credits cannot exceed the maximum of 50 eUpgrade Credits. All eUpgrade conditions apply and can be reviewed at [aircanada.com/eupgrade-termsandconditions](http://aircanada.com/eupgrade-termsandconditions).

Point levels required for the redemption of Taxes, Fees, and Surcharges may change without notice.
