These interest rates are in effect on the date your Credit Card Account is opened.

If you do not make your Required Payment by the payment due date 2 times in any 12 month period, your interest rate may increase to 24.99% on Purchases and 27.99% on Cash Advances, Balance Transfers and Convenience Cheques for at least 12 months. This increase will take effect in the third statement period following the missed payment that caused the rate to increase.

For all clients other than Quebec residents, your Required Payment means:

a) any interest (excluding Installment Plan interest); plus  
b) fees (excluding the annual fee); plus  
c) any past due amount; plus  
d) the lesser of either $10, or your Amount Due minus a) to c).

For Quebec residents, Required Payment means any past due amount plus the greater of your Percent of Amount Due (defined below) or $10.

For all clients including Quebec residents, if your Balance excluding Installment Plans is under $10, that lesser amount is your Required Payment.

### Interest-Free Grace Period

Your payment due date is at least 21 days after your Statement Date. We do not charge interest on a Purchase (other than Purchases on an Installment Plan) appearing on your statement if we receive full payment of the Amount Due (or for Purchases that have been converted to an Installment Plan during that statement period, if we receive payment in full of the Balance) by the payment due date for that statement. There is no interest-free period for Cash Advances, Balance Transfers, or Convenience Cheques.

### Minimum Payment

For all clients other than Quebec residents, your Minimum Payment is:

a) any interest (excluding Installment Plan interest); plus  
b) fees (excluding the annual fee); plus  
c) all Installment Plan payments due (which includes interest) on that statement; plus  
d) the greater of either any amount that exceeds your credit limit or any past due amount; plus  
e) the lesser of either $10, or your Amount Due minus a) to d).

For Quebec residents, your Minimum Payment is:

a) the greater of 5% of Amount Due or $10, but if the Amount Due (excluding Installment Plan payments due) is less than $10 then that lesser amount; plus  
b) Installment Plan payments (including interest) which are due on that statement; plus  
c) the greater of either any amount that exceeds your credit limit or any past due amount.

For all Quebec residents, the Amount Due used to calculate your Percent of Amount Due excludes Installment Plan payments due.

For all clients including Quebec residents, if your Amount Due is under $10, that lesser amount is your Minimum Payment.

### Foreign Currency Conversion

Foreign currency Transactions (except Convenience Cheques) are converted to Canadian dollars on or after the Transaction date and no later than the Transaction posting date. You are charged the same conversion rate CIBC must pay, on both debits and credits. You are charged a fee of 2.5% of the converted amount, on both debits and credits. This fee is charged on currency conversion. A foreign currency Convenience Cheque or payment is converted at CIBC’s branch selling rate for Canadian dollars in effect at the time it is processed by CIBC.

### Annual Fees

CIBC Costco Mastercard and CIBC Costco World Mastercard are not charged a Primary Cardholder or Authorized User annual fee.

We begin charging interest for Cash Advances on the day they are taken. If you decide to convert your Transaction into an Installment Plan, interest will be charged in accordance with the Installment Plan terms and conditions. We begin charging interest for Balance Transfers and Convenience Cheques on the day they are posted.
