Notes

- A.** Disclaimer 6 of the Benefits Guide is deleted in its entirety and replaced as follows:

Current: From time to time, Primary Aeroplan Credit Cardholders can get access to preferred pricing, which means they can book flight rewards for even fewer points. The number of points required to book a flight reward is determined by several factors, including, but not limited to, holding an eligible Aeroplan-branded credit card, along with other rules as determined by Aeroplan in its sole discretion.

Effective January 12, 2027: Primary Cardholders (“Cardholders”) will receive a reduction of 15% on the Aeroplan points required to redeem for the base fare of eligible flight rewards, as compared to the number of points required to book the same itinerary by an Aeroplan member who is not a Cardholder. The points reduction only applies to any inbound or outbound origin and destination pairing where the corresponding outbound or inbound origin and destination travel includes a flight operated by Air Canada, Air Canada Rouge or carriers operating under the Air Canada Express brand and may extend to itineraries that include a segment operated by eligible partners where indicated in the booking flow on aircanada.com. In all cases, itineraries must be booked through aircanada.com, the Air Canada Mobile application, or the Air Canada call centre. The reduction applies only to the base fare portion of such eligible outbound or inbound origin and destination pairing of the flight reward and is not applicable to any taxes, fees, surcharges and charges, nor is it applicable to purchases offered by third-party partners including without limitation, travel insurance, trip cancellation or carbon offset programs. The reduction is non-transferable and has no monetary or exchange value. Cardholders must be logged into their Aeroplan account at the time of booking. Gift cards and eCoupons can only be applied to the cash portion of the ticket. The Aeroplan account (including pooled accounts) must have sufficient points for the Aeroplan flight rewards redemption. Changes and cancellations follow [Aeroplan Flight Reward Policy](https://aircanada.com/flight-reward-policy) (aircanada.com/flight-reward-policy) rules, and the Aeroplan member must remain a Primary Cardholder to be eligible for any future reductions to apply in the event of any changes to the booking. All [Aeroplan Program Terms and Conditions](https://aircanada.com/aeroplan-termsandconditions) (aircanada.com/aeroplan-termsandconditions) apply.

- B.** The “Get a 4th Night Free” hotel benefit (the “Benefit”) applies to hotel room redemption bookings made by Primary Cardholders (each a “Cardholder”) with Aeroplan points at participating hotels. Unless otherwise permitted, the Benefit cannot be combined with any other offer.

For every 4 night consecutive hotel stay at a participating hotel booked using only Aeroplan points from the Aeroplan account of the Cardholder (or their Aeroplan family pooling account) on the travel booking website operated by Loyalty Travel Agency LLC, doing business as CX Loyalty (the “Website”), the Cardholder will receive a reduction equal to the average Aeroplan points value of one night within the 4 night stay. For example, a Cardholder booking a 4-night consecutive stay will only need to redeem Aeroplan points for 3 nights (e.g., 15,000 points per night required for 4 nights is 60,000 points but under the Benefit you only require 45,000 points (15,000 x 3) for the 4 nights). Or for an 8-night consecutive stay, the Cardholder will only need to redeem Aeroplan points for 6 nights and so forth.

The nights must be within the same stay at the same participating hotel, as part of the same booking and under the same confirmation number. Separate bookings cannot be combined to qualify for the Benefit. There will be no points refund or free night credit for any unused portion of the Benefit.

The redemption booking summary will show the taxes and fees included in the points redemption rate. Local taxes and fees (such as destination and/or resort fees) may not be included in your hotel room points redemption rate and will still apply to each hotel night booked with points and be payable directly at the hotel. Refer to the [Travel Terms and Conditions of Loyalty Travel Agency LLC](https://aircanada.com/loyalty-termsandconditions) (aircanada.com/loyalty-termsandconditions) for more details.

The number of points required for hotel redemption can fluctuate from night to night. The free night is based on the calculation of the average points cost per hotel room redemption night across all nights of the stay of 4 nights or longer. The average points required for one hotel room night redemption will then be removed from the total stay, one for every 4-night stay.

The amount of Aeroplan points required per night varies by the participating hotel, room type available at the participating hotel, length of stay, and may also vary by time of year. Points required per hotel room night redemption are updated continuously and may change at any time without notice.

The Benefit applies to hotel redemptions of all room types made using only Aeroplan points on the Website. The Benefit is not applicable to bookings combining cash and points or cash only bookings. The Cardholder must have enough Aeroplan points (either in their own Aeroplan account or in their Aeroplan family pooling account) to cover the Aeroplan points required for the entire stay after applying the reduction corresponding to the average Aeroplan points required per one night for that stay, if and as applicable.

All Aeroplan Program terms and conditions (aircanada.com/aeroplan-termsandconditions) apply.

- C. The “Get a 4th Day Free” vehicle rental benefit (the “Benefit”) applies to eligible vehicle rental bookings made by Primary Cardholders (each a “Cardholder”) with Aeroplan points at participating car rental providers. Unless otherwise permitted, the Benefit cannot be combined with any other offer.

For every 4 day consecutive vehicle rental booked with a participating car rental provider using only Aeroplan points from the Aeroplan account of the Cardholder (or their Aeroplan family pooling account) on the travel booking website operated by Loyalty Travel Agency LLC, doing business as CX Loyalty (the “Website”), the Cardholder will receive a reduction equal to the average Aeroplan points value of one of those four rental days within the 4 day reservation. For example, a Cardholder booking a 4-day consecutive rental will only need to redeem Aeroplan points for 3 days (e.g., 10,000 points per day required for 4 days is 40,000 points, but under the Benefit you only require 30,000 points ($10,000 \times 3$) for the 4 days). For an 8-day consecutive rental, the Cardholder will only need to redeem Aeroplan points for 6 days, and so forth.

The rental days must be part of the same booking, for the same vehicle, at the same participating rental provider, and under the same confirmation number. Separate bookings cannot be combined to qualify for the Benefit. There will be no points refund or free day credit for any unused portion of the Benefit.

The redemption booking summary will show the taxes and fees included in the points redemption rate. Local taxes, surcharges, fuel charges, insurance, and other fees may not be included in your vehicle rental points redemption rate and will still apply to each rental day booked with points and must be paid directly to the rental provider. Refer to the Travel Terms and Conditions of Loyalty Travel Agency LLC (aircanada.com/loyalty-termsandconditions) for more details.

The number of points required for vehicle redemption can fluctuate from day to day. The free day is based on the calculation of the average points cost per rental day across all days of the rental of 4 days or longer. The average points required for one rental day redemption will then be removed from the total booking, one for every 4 rental days.

The amount of Aeroplan points required per rental day varies by participating rental provider, vehicle type, location, length of rental, and may also vary by time of year. Points required per rental day are updated continuously and may change at any time without notice.

The Benefit applies to vehicle rental redemptions made using only Aeroplan points on the Website. The Benefit is not applicable to bookings combining cash and points or cash only bookings. The Cardholder must have enough Aeroplan points (either in their own Aeroplan account or in their

Aeroplan family pooling account) to cover the Aeroplan points required for the entire rental after applying the reduction corresponding to the average Aeroplan points required per one rental day, if and as applicable.

All [Aeroplan Program terms and conditions](http://aircanada.com/aeroplan-termsandconditions) (aircanada.com/aeroplan-termsandconditions) apply.

- D.** Please ensure that you provide your own personal Aeroplan number to be linked to your credit card as linking a different loyalty number is prohibited. This Aeroplan number must be included on the qualifying reservation to access airline benefits. The Aeroplan member and the credit card accounts of the Primary Cardholder must be in good standing for airline benefits to apply. Airline benefits will no longer be available upon account closure, regardless of reason for closure, or if your Aeroplan credit card product is changed to another product. Aeroplan membership and benefits are subject to the [Aeroplan Program Terms and Conditions](http://aircanada.com/aeroplan-termsandconditions) (aircanada.com/aeroplan-termsandconditions) and any applicable Air Canada terms and conditions relating to a benefit, as determined by Air Canada or Aeroplan in their sole discretion and as may be changed from time to time. Air Canada and Aeroplan reserve the right to modify, suspend, or discontinue any benefit, and to disqualify any individual believed to be tampering with the process or the operation of a benefit.
