CIBC Smart Account Fee Waiver Terms and Conditions

To benefit from the CIBC Smart Account fee waiver, the following criteria must be met each month:

- Maintain a minimum balance of \$3,000 at the end of each day during the month in your CIBC Smart Account.
- Make at least one (1) eligible recurring direct deposit into your CIBC Smart Account; or ensure at least two (2) different eligible recurring pre-authorized debits (see Eligible Recurring Transactions below for eligibility details) are withdrawn from your CIBC Smart Account.

Eligible Recurring Transactions:

Most recurring direct deposits and pre-authorized debits are eligible. Examples of common recurring direct deposits are payroll, CPP/QPP, disability payments, dividends, and government deposits such as Employment Insurance and provincial parental insurance plan (PPIP). Examples of common recurring pre-authorized debits are pre-authorized bill payments and loan or mortgage payments where you set up pre-authorized instructions with your mortgage, loan, credit card and/or other provider directly from your CIBC Smart Account. Recurring pre-authorized fund transfers that you initiate (i.e., if you use telephone banking, ATM and/or online banking to set up) to other CIBC deposit, credit card or line of credit accounts, or to accounts at other financial institutions, are not eligible for the fee waiver. Details on Using Your Accounts

You can call **1 800 465-CIBC (2422)** any time to speak to a CIBC Financial Service Representative.

When you open your account, you'll get a CIBC Debit Card which you can use to access your account. Your CIBC Debit Card includes the security of chip technology and active fraud monitoring.

CIBC Overdraft Protection Service (COPS)

Protect yourself from an unexpected temporary shortfall of funds with CIBC Overdraft Protection Service. This service is available, subject to credit approval, on most Canadian dollar personal accounts and is one way to ensure you're covered in case of an overdraft.

There are two overdraft fee options available for COPS. These overdraft fee options do not apply to CIBC PremierService Accounts.

Pay Per Use Fee:

A \$5.00 fee will be applied to your account for any business day (based on end-of-day balances) in which an overdraft is created or increased. You also pay interest on the outstanding overdraft amount. There is no charge unless the overdraft is used.

Monthly Fixed Fee:

A fixed monthly fee of \$4.00 is applied to your account at the end of every month regardless of whether the overdraft is created or increased or how many times the overdraft is used in the month. If the overdraft is used, you also pay interest on the outstanding overdraft amount.

CIBC's overdraft interest rate is currently 21% per year and may vary from time to time. Interest will be calculated and debited monthly to your account, based on the final daily indebtedness in the account throughout the calendar month. Interest at the rate set by CIBC will apply both before and after the indebtedness becomes payable, before and after the CIBC Overdraft Protection Service Addendum is terminated, and before and after judgment is obtained against you.

If you have COPS and you are at (or over) your Overdraft Limit, and CIBC chooses to process a debit which overdraws your account, or which exceeds (or further exceeds) your Overdraft Limit, you will pay CIBC a \$5.00 charge (based on end-of-day balances), plus interest, at CIBC's then current overdraft interest rate, on the indebtedness, in addition to the overdraft fee option that applies to your account. If CIBC chooses to allow one or more such debits, it has no obligation to do so again at any time in the future.

If you are not covered by CIBC Overdraft Protection Service, and CIBC chooses to process a debit which overdraws your account (based on end-of-day balances), you will pay CIBC a \$5.00 charge, plus interest, at CIBC's then current overdraft interest rate, on the indebtedness. If CIBC chooses to allow one or more such debits, it has no obligation to do so again at any time in the future.

Account Conversion

The following applies if you change your account type prior to the end of the final business day of the month.

For account types with a different fee structure, all transactions during that month (including those made before the change) will be subject to the fees under the fee structure that applies to your new account type at the end of the month. However, any fees which have already been paid or deducted from your account during the month (e.g., for money orders) will not be refunded upon conversion.

For account types with different interest rate terms, interest will be calculated up to and including the day prior to account conversion and paid based on the old account terms, and will be calculated from and including the day conversion takes effect and paid based on the new account terms.

Cashing Government of Canada Cheques

CIBC will cash Government of Canada Cheques for up to \$1,500, without charge. The minimum identification requirements to cash a Government of Canada cheque are different from the requirements for opening a personal account. In order to cash a government cheque, you will need:

- One valid, original piece of identification from either Identification 1 or Identification 2 (see pages 23-25), if the piece of identification presented has both your photograph and signature; or
- Two valid, original pieces of identification from Identification 1 or Identification 2 (see pages 23-25) – neither piece of identification requires a photograph; or
- One valid, original piece of identification from Identification 1 or Identification 2 (see pages 23-25) if your identity is also confirmed by a client of CIBC in good standing or by an individual in good standing in the community. The individual in good standing in the community will be required to present two pieces of identification in accordance with the first paragraph of the Opening a Personal Bank Account section (page 23).

If you have any concerns, refer to page 29 for CIBC's complaint resolution process or page 32 for how to contact the FCAC.

CIBC will also cash certain provincial or municipal government cheques if they are drawn on CIBC or guaranteed by the government. We recommend you open a CIBC Personal Bank Account and set up Direct Deposit so the government (or companies) can deposit your funds directly into your bank account. Authorizing a Direct Deposit will ensure timely receipt in the event of postal delays.

Our Hold Policy on Cheque Deposits to any Personal Deposit Account

For purposes of this policy:

- "Cheque" also includes certified cheques, bank drafts, money orders and other instruments
- Saturday, Sunday and holidays are not business days

Understanding hold periods

When you deposit a cheque in your Personal Bank Account, a hold period may apply to allow time for the cheque to clear. The funds will appear in your account at the time of deposit, but you may not be able to access them until the hold period expires. The day of deposit and hold period expiry are based on the location of your branch of account (not local time where the deposit was made).

Even after the hold period expires, there is no guarantee that a cheque will not be returned to us unpaid. If a cheque is returned unpaid for any reason at any time, either during or after the expiry of the hold period, we have the right to charge the amount of the cheque to your account.

We may also accept cheques from you on "collection", meaning that *only* if and when CIBC receives payment from the financial institution on which the cheque is drawn will the funds be credited to your account and you have access to the funds.

How long are funds held?

The length of the hold period for cheques depends on the currency, amount of the cheque and other factors:

- For a CDN\$ cheque drawn on a financial institution's branch located in Canada, the normal length of time we will hold funds is four business days after the day of deposit. The maximum hold periods are as follows:

CDN\$ Cheque Amount	Way You Deposit	Maximum Hold Period
\$1,500 or less	In branch	4 business days after day of deposit
	By bank machine or any other way	5 business days after day of deposit
Greater than \$1,500	In branch	7 business days after day of deposit
	By bank machine or any other way	8 business days after day of deposit

- For a non-CDN\$ cheque drawn on a financial institution's branch located in Canada, the normal length of time we will hold funds is 10 business days. The maximum hold period is 20 business days
- For a non-CDN\$ cheque drawn on a financial institution's branch located outside of Canada, the normal length of time we will hold funds is 15 business days. The maximum hold period is estimated to be 30 business days

Reasons we may hold the funds beyond the maximum period

We may extend the maximum hold periods in some circumstances, including (but not limited to) where:

- CIBC has reasonable grounds to believe that the deposit is being made for illegal or fraudulent purposes in relation to an account
- An account has been open for less than 90 days
- The cheque:
 - Is not encoded with magnetic ink character recognition or is not readable by operational systems (for example, if damaged or mutilated)
 - Has been endorsed more than once
 - Is deposited six months or more after the date of the cheque

The hold period under these circumstances is estimated to be 30 business days and could be longer for non-CDN\$ cheques drawn on a financial institution's branch located outside of Canada.

Access to Deposited Funds Limits

Access to Deposited Funds Limits may apply to cheque deposits you make in branch, at a bank machine or any other way. These limits are the dollar amount you will have access to until the hold period expires on your deposit. To ask about your Access to Deposited Funds Limits, call Telephone Banking 24/7 at **1 800 465-CIBC (2422)** or visit your nearest branch.

CIBC's Hold Policy and Access to Deposited Funds Limits are subject to the Personal Account Agreement, which governs your account.

Notice of Fee Changes

If we propose to change a fee or introduce a new fee applicable to your account, we will give you notice in accordance with the "Communicating with You" and "Changing this Agreement" sections of the Personal Account Agreement.

Our Commitment to You: To Exceed Your Expectations

Our Process for Resolving Your Complaints

If you have a complaint, we encourage you to follow the complaint procedure outlined here.

Step 2: Client Care Centre

- The nature of your complaint
- Details relevant to the complaint and with whom you have already discussed the issue

If you are dissatisfied with the decision of the CIBC Client Care Centre, you may contact or be directed to the CIBC Ombudsman.

Step 3: CIBC Ombudsman

Assuming you have followed the complaint escalation steps outlined above and you remain dissatisfied with Client Care's resolution, you can contact the CIBC Ombudsman. Then, if the matter falls within the CIBC Ombudsman's mandate (cibc.com/ombudsman), and providing legal action has not been taken on the matter, the CIBC Ombudsman will conduct a further investigation.

Independent Consumer Support Agencies

In addition to CIBC's service commitment to you, there are a number of external agencies that monitor Canada's financial industry to ensure compliance and reliable access to financial services.

Ombudsman for Banking Services and Investments (OBSI)

You can contact the OBSI, who is independent from CIBC and whose purpose is to review your personal or business complaint when you do not accept the decision of the CIBC Ombudsman; or when 90 days have elapsed since escalating your concerns to the CIBC Client Care Centre.

Where appropriate, the OBSI may seek the assistance of CIBC's internal complaint resolution staff – including the CIBC Ombudsman – to facilitate the earliest possible resolution to your complaint.

If you choose to contact the OBSI at the conclusion of the CIBC Ombudsman investigation, you should do so within six months from the date of CIBC's response to you, as OBSI reserves the right to decline any investigation after that time.

You can reach the OBSI by:

Voluntary Codes of Conduct

Voluntary Codes of Conduct are guidelines and commitments that are designed to protect you, our clients. CIBC has voluntarily adopted a number of codes. These codes can be found on cibc.com or you can obtain a copy of "Our Service Commitment to You" brochure at any CIBC branch.

General Terms and Conditions

Your Personal Account Agreement contains important terms and conditions governing your account. Please be sure to read it.

CIBC may change the terms or features of any account, or replace any account with another type of account from time to time with or without notice or consent unless notice or consent is required by law.

Personal accounts are for personal use only. Businesses (including sole proprietorships) must obtain a CIBC business account.

In most cases, transactions done at a branch or bank machine in Canada, or *Interac* debit purchases after 6:00p.m. local time will have a transaction date of the next business day. Transactions done through CIBC Telephone Banking, CIBC Online Banking, CIBC Mobile Banking, bank machines outside of Canada, or Visa Debit debit purchases after 6:00p.m. (Eastern Time) will have a transaction date of the next business day.

Please note that Saturday, Sunday and holidays are not considered business days. Any fees or interest, if applicable, will be calculated from the transaction date, unless specified otherwise for certain accounts.

Fees are calculated for the calendar month up to and including the final business day of the month. Such fees are dated the final calendar day of the month but are not

posted until the first business day in the following month. Interest is credited to your account as of the last business day in the interest period. However, the interest cannot be withdrawn, and will not be printed at branch terminals or at CIBC bank machines, nor made available through CIBC Telephone Banking, CIBC Online Banking or CIBC Mobile Banking until two business days after the end of the interest period. Interest rates quoted are annual and are subject to change without prior notice and are displayed on in-branch interest rate sheets.

If your account pays interest based on the minimum monthly or minimum semi-annual balance, a deposit made on the first business day of the period is credited as if it were actually made on the first calendar day (if earlier).

Seven days prior notice may be required for withdrawals by cheque or otherwise.

U.S. currency coins deposited into any CIBC account (Canadian or U.S. dollar) will be treated as if they were Canadian currency coins.

Digital or electronic representations of cheques and other instruments, or the relevant information from the cheque or instrument, may be made or captured and used by financial institutions involved in the exchange and clearing of payments in Canada and elsewhere, in which case the original paper item may be destroyed and not returned to you. CIBC is entitled to act upon such a representation or information for all purposes as if it were the original paper item. CIBC and other financial institutions may reject any cheque or other instrument that does not comply in all respects with all applicable by-laws, regulations, rules and standards of CIBC and the Canadian Payments Association.

Notes

- ¹ The additional \$1.50 service fee is waived for sending *Interac* e-Transfers. Each *Interac* e-Transfer you send counts as a transaction for calculating your monthly fee.
- ² "Paperless" record-keeping is a paper-free alternative to printed statements. This option enables clients to track account activity online or by phone or CIBC bank machine. Please note, no printed statements will be sent to clients selecting this option. Clients must review their account transactions through CIBC Online Banking, CIBC Mobile Banking, CIBC Telephone Banking or CIBC bank machines at least once every 30 days and examine all entries and balances at that time. If there are any errors, omissions or irregularities, clients must notify CIBC in writing within 60 days after the date on which the entry was, or should have been, posted to the account.
- ³ Only the front of cheques will be imaged.
- ⁴ CIBC's standard credit criteria apply.
- ⁵ Excludes stop payments on pre-authorized debits/recurring payments set up using CIBC Advantage Debit Card details. To stop payment on these, you need to contact the merchant/biller/payee directly to instruct them to discontinue applying charges to your account(s) through your CIBC Advantage Debit Card. If you are unsuccessful in resolving the issue, CIBC may be able to work with Visa to request a refund for you.
- ⁶ Clients who were 60 years of age or older on or before June 24, 1991, and held a CIBC Key Account™ prior to this date, as well as when the account was converted into the CIBC Unlimited Chequing Account and subsequently converted into the CIBC Smart Account, may have the monthly fee waived on their CIBC Smart Account.
- ⁷ "CIBC-branded" means any brand that has CIBC in its name. For example CIBC Wood Gundy is CIBC-branded however President's Choice Financial is not CIBC-branded.
- ⁸ The amount of your withdrawal, purchase, return or credit, including any surcharge imposed by a third party for using the bank machine, network or other service, is converted to Canadian dollars at the same foreign exchange conversion rate CIBC is required to pay. You are charged an administration fee of 2.5% on the converted amount in addition to any transaction fees applicable to a withdrawal and any fee noted. Conversion to Canadian dollars may occur on a date other than the date of your withdrawal, purchase, return or credit. Therefore the conversion rate may be different from the rate in effect at the time of your withdrawal, purchase, return or credit.
- ⁹ CIBC levies no fee to receive an *Interac* e-Transfer into a CIBC Canadian dollar personal account; however, if the account is not at CIBC, the recipient may be levied a fee by his/her own financial institution or by the provider of the *Interac* e-Transfer service.
- ¹⁰ Correspondent bank may levy additional charges.
- ¹¹ The CIBC Chequing Savings Account includes 2 free transactions per month (unused transactions cannot be carried forward to subsequent months). Monthly statement with cheques imaged record-keeping option (front only) is not available.
- ¹² The additional fees for withdrawals from non-CIBC bank machines are not waived. Fees apply for all other services listed in this brochure as indicated.
- ¹³ Monthly statement with cheques imaged record-keeping option (front only) is not available on the CIBC Regular Savings Account and CIBC Daily Interest Savings Account.
