Security and convenience.

Chip technology

Added security for everyday spending.

CIBC is committed to providing you with a secure system against credit card fraud. To that end, CIBC credit cards use chip technology, which enhances the security of the magnetic stripe payment system. Each card uses an embedded microchip to encrypt information, making it more difficult for unauthorized users to copy or access card data. This technology is tested, proven and rapidly becoming the global standard for secure transactions. With this sophisticated technology, you can feel confident that your information is safe and secure with every transaction you make with your CIBC credit card.

Convenient and easy to use. Over time, retail terminals across the country will become chip-enabled. Wherever chip technology is available, a PIN (Personal Identification Number) will be required to authorize a transaction, much like a debit transaction. CIBC credit cards will still have the familiar magnetic stripe on the back for use at merchants that are not yet chip-enabled.

Visit cibc.com/chipcard for more information.

Contactless payments

This convenient feature allows you to pay simply by waving the card or your eligible smartphone through the mobile payment solutions that CIBC supports over a secure contactless reader. It's a great alternative to using cash for purchases of up to \$100.¹² Just look for merchant terminals with the))) contactless symbol.

For more information, including a list of mobile payment solutions that CIBC supports, visit cibc.com/ways-to-pay.

eStatement offer ease and convenience

With your eStatement you can view a free electronic copy of your current or previous available credit card and bank account statements online anytime, any day, and download an electronic file version to your computer. Signing up for eStatements allows you to be notified of account changes; saving paper and reducing clutter in the process. Simply sign in to CIBC Online Banking to get started.

Manage your spending

With added credit management features from CIBC, you can manage, track and organize your credit card activity – plus help protect yourself from fraud. Here are just a few of the benefits CIBC offers with your CIBC Aventura Gold Visa Card.

Online Spend Report: get a more detailed view of your credit card spending and create customized monthly budgets.

Personal Spend Manager: create your own personal spend categories to track and manage what's important to you.

Enhanced Monthly Statement: track and manage your monthly and year-to-date spending organized in 10 common spend categories on your printed statement.

Credit Report Alerts: stay up-to-date on key changes to your personal credit report so you're aware of any unusual activity on your credit file.¹³

Spend Alerts: set up alerts through CIBC Online Banking and choose to be notified by phone, email or online message when you've exceeded your customized budget or are nearing your credit limit.¹⁴

Fraud Alerts: set up alerts and choose to be notified as soon as possible about changes to your account by email, text message, push notification or online message.

Identity Theft Assistance: get quick access to guidance and clear instructions on what to do if you suspect you're a victim of identity theft by calling 1 800 465-4653.

From ways to help manage spending to features that offer new levels of card security, your CIBC credit card is the card for the way you live life. On your terms.®

Other conditions may also apply. Car Rental Collision/Loss Damage Insurance (CLDI) is available for automobile rentals of up to 48 days for rental vehicles with a MSRP up to \$65,000. The full cost of the rental must be charged to the card and the rental agency's Collision Damage Waiver (CDW) or Loss Damage Waiver (LDW) must be declined. CLDI provides coverage up to the actual cash value (ACV) of the rental vehicle as defined in your insurance certificate. Note that some rental agencies may assess their damages at an amount greater than the ACV of the rental vehicle and you may be liable to them for the difference. Before declining the rental agency's CDW or LDW, you should read carefully and compare the terms of the rental agreement, the CLDI insurance certificate in your card package and any other insurance you own to decide which coverage best meets your protection needs. An Authorized User Spending Limit will reset monthly, or earlier if requested by the primary cardholder or if a payment on the credit card account is made by the applicable authorized user. For full details visit cibc.com/spendinglimits.
