

Visa* Business Reporting (VBR)¹

Visa Business Reporting is an online tool that provides an efficient way to optimize business spending. Easy-to-use dashboards provide valuable insights and grant the business the ability to:

- View cardholder spending patterns and compare them across the business
- Track individual card usage
- Categorize expenses by merchant and expense type
- Add receipts, notes and other documentation to expenses
- Facilitate expense reconciliation and review
- Push transactions to accounting software like Intuit Quickbooks® Online and Xero™

The business appoints the company administrator, who must be registered as a **Card or Rewards Officer** for the account.
